

[Docket No. RP95-90-002]**Tennessee Gas Pipeline Company;
Notice of Interruptible Services
Revenue Report Filed**

April 15, 1996.

Take notice that on April 9, 1996, Tennessee Gas Pipeline Company (Tennessee) tendered for filing its interruptible services revenue report for the September 1993 through August 1994 period.

Tennessee states that the report indicates that Tennessee has recovered the \$8.959 million of GSR costs allocated to interruptible services. In addition, the report indicates a net gain of \$1.128 million for the annual period. Ninety percent of the net gain, or \$1.015 million, will be credited to Tennessee's Demand GSR Account, consistent with Section 6 of Rate Schedule IT and Section 5.4 of Article XXVI of the General Terms and Conditions of Tennessee's FERC Gas Tariff. The report also shows that Tennessee has continued to meet the at-risk condition imposed by the Commission for the September 1993-April 1994 period.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 18 CFR 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before April 19, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. RP96-208-000]**Trunkline Gas Company; Notice of
Proposed Changes In FERC Gas Tariff**

April 15, 1996.

Take notice that on April 10, 1996, Trunkline Gas Company (Trunkline) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the tariff sheets listed on Appendix A attached to the filing, to be effective May 11, 1996.

Trunkline states that the purpose of this filing, made in accordance with the provisions of Section 154.202 of the Commission's Regulations, is to implement Rate Schedule QNIT for Quick Notice Interruptible Transportation service pursuant to Trunkline's blanket certificate authorization under Section 284.211 of the Commission's Regulations. Trunkline is proposing this interruptible transportation service, as defined in Section 284.9(b), to assist its customers in meeting needs which may vary due to fluctuating daily load requirements. This rate schedule is provided to offer, on an interruptible basis, the same basic service characteristics which Trunkline currently offers on a firm basis under Rate Schedule QNT, Quick Notice Transportation.

Trunkline states that copies of this filing are being served on all affected customers and applicable state regulatory agencies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. CP83-251-011]**The Washington Water Power
Company; Notice of Application**

April 15, 1996.

Take notice that on April 10, 1996, The Washington Water Power Company ("Water Power"), East 1411 Mission Avenue, Spokane, Washington 99202, filed an application under Section 7 of the Natural Gas Act for authority to amend its existing certificate to allow for the continuation of a release of a portion of its Jackson Prairie Underground Storage Project (Jackson Prairie) deliverability and capacity to BC Gas Utility, Ltd. ("BC Gas"), as successor-in-interest to B.C. Gas Inc., and to permit abandonment of such service to B.C. Gas Inc., all as more fully set forth in the application which is on file with the Commission and open to the public inspection.

Water Power states that it is a local distribution company engaged in the business of distributing natural gas within the states of Washington, Oregon, California and Idaho. Water Power explains that it is a one-third owner of Jackson Prairie, a natural storage field located in Lewis County, Washington. Water Power explains that the remaining undivided ownership interests belong to Northwest Pipeline Corporation and Washington Natural Gas Company, with the latter designated as the Project Operator.

Water Power explains that B.C. Gas Inc. and Water Power previously entered into an Agreement dated April 21, 1989, entitled "Release of Jackson Prairie Storage Capacity" (Release
