

of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act, including whether the acquisition of the nonbanking company can "reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices" (12 U.S.C. 1843). Any request for a hearing must be accompanied by a statement of the reasons a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal. Unless otherwise noted, nonbanking activities will be conducted throughout the United States.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than May 16, 1996.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

Findings of Scientific Misconduct

AGENCY: Office of the Secretary, HHS.

ACTION: Notice.

SUMMARY: Notice is hereby given that the Office of Research Integrity (ORI) has made final findings of scientific misconduct in the following case:

Joan Gans, R.N., Denver Department of Health and Hospitals: Based on an audit of records conducted by the National Institute of Allergy and Infectious Diseases (NIAID) and Ms. Gans— admission, ORI found that Joan Gans, R.N., while employed at the Denver Community Program for Clinical Research on AIDS at the Department of Public Health, Denver Department of Health and Hospitals, committed scientific misconduct by falsifying and fabricating data related to patients entered on clinical trials. The research was supported by a NIAID contract.

Ms. Gans has entered into a Voluntary Exclusion Agreement with ORI in which she has voluntarily agreed:

(1) To exclude herself from any contracting or subcontracting with any agency of the United States Government and from eligibility for, or involvement in, nonprocurement transactions (e.g., grants and cooperative agreements) of the United States Government, as defined in 45 CFR Part 76 (Debarment Regulations) for a period of two (2) years beginning April 4, 1996;

(2) That for a period of one (1) year immediately following the two (2) year voluntary exclusion above, any institution that submits an application for Public Health Service (PHS) support for a research project on which Ms. Gans' participation is proposed or that uses her in any capacity in PHS supported research must concurrently submit a plan for supervision of her duties; the supervisory plan must be designed to ensure the scientific integrity of Ms. Gans' research contribution, and the institution must submit a copy of the plan to ORI; and

(3) To exclude herself from serving in any advisory capacity to PHS, including but not limited to service on any PHS advisory committee, board, and/or peer review committee, or as a consultant for a period of three (3) years beginning April 4, 1996.

The above voluntary exclusion, however, shall not apply to Ms. Gans' future training or practice of clinical nursing whether as a nursing student, resident, fellow, or licensed nurse, as

the case may be, unless that practice involves research or research training.

No scientific publications were required to be corrected as part of this Agreement. The questioned data will be excluded before any findings of the affected clinical trials are reported.
