Federal Aviation Administration

Index of Administrator's Decisions and Orders in Civil Penalty Actions; Publication

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of publication.

SUMMARY: This notice constitutes the required quarterly publication of an index of the Administrator's decisions and orders in civil penalty cases. The FAA is publishing an index by order number, an index by subject matter, and case digests that contain identifying information about the final decisions and orders issued by the Administrator. Publication of these indexes and digests is intended to increase the public's awareness of the Administrator's decisions and orders. Also, the publication of these indexes and digests should assist litigants and practitioners in their research and review of decisions and orders that may have precedential value in a particular civil penalty action. Publication of the index by order number, as supplemented by the index by subject matter, ensures that the agency is in compliance with statutory indexing requirements.

FOR FURTHER INFORMATION CONTACT:

James S. Dillman, Assistant Chief Counsel for Litigation (AGC-400), Federal Aviation Administration, 701 Pennsylvania Avenue NW, Suite 925, Washington, DC 20004; telephone (202) 376-6441.

SUPPLEMENTARY INFORMATION: The Administrative Procedure Act requires Federal agencies to maintain and make available for public inspection and copying current indexes containing identifying information regarding materials required to be made available or published. 5 U.S.C. 552(a)(2). In a notice issued on July 11, 1990, and published in the Federal Register (55 FR 29148; July 17, 1990), the FAA announced the public availability of several indexes and summaries that provide identifying information about the decisions and orders issued by the Administrator under the FAA's civil penalty assessment authority and the rules of practice governing hearings and appeals of civil penalty actions. 14 CFR Part 13, Subpart G.

The FAA maintains an index of the Administrator's decisions and orders in civil penalty actions organized by order number and containing identifying information about each decision or order. The FAA also maintains a subject-matter index, and digests organized by order number.

In a notice issued on October 26, 1990, the FAA published these indexes and digests for all decisions and orders issued by the Administrator through September 30, 1990. 55 FR 45984; October 31, 1990. The FAA announced in that notice that it would publish supplements to these indexes and digests on a quarterly basis (*i.e.*, in January, April, July, and October of each year). The FAA announced further in that notice that only the subject-matter index would be published cumulatively, and that both the order number index and the digests would be non-cumulative.

Since that first index was issued on October 26, 1990 (55 FR 45984; October 31, 1990), the FAA has issued supplementary notices containing the quarterly indexes of the Administrator's civil penalty decisions as follows:
