

Under section 4241(d) of title 18, the initial period of hospitalization for an incompetent accused shall not exceed four months. However, in determining whether there is a substantial probability the accused will attain the capacity to permit the trial to proceed in the foreseeable future, the accused may be hospitalized for an additional reasonable period of time.

This additional period of time ends either when the accused's mental condition is improved so that trial may proceed, or when the pending charges against the accused are dismissed. If charges are dismissed solely due to the accused's mental condition, the accused is subject to hospitalization as provided in section 4241 of title 18.

The analysis accompanying R.C.M. 909 is amended by inserting the following at the end thereof:

1996 Amendment: The rule was changed to provide for the hospitalization of an incompetent accused after the enactment of Article 76b, UCMJ, in the National Defense Authorization Act for Fiscal Year 1996, Pub. L. No. 104-106 (1996).

ADDRESSES: Comments on the proposed changes should be sent to Maj. Paul Holden, Office of the Judge Advocate General, Criminal Law Division, 2200 Army Pentagon, Washington, D.C. 20310-2200.

DATES: Comments on the proposed changes must be received no later than 25 June 1996 for consideration by the Joint Service Committee on Military Justice.
