Title

Application for Adult Learning System Reform and Improvement Grant: Stage II Collaborative Development of Equipped for the Future Adult Literacy Standards cooperative agreements.

Abstract

The National Literacy Act of 1991 established the National Institute for Literacy and required that the Institute conduct basic and applied research and demonstrations on literacy; collect and disseminate information of Federal, State and local entities with respect to literacy; and improve and expand the system for delivery of literacy services. This form will be used by individual public and private non-profit organizations and agencies that represent key literacy consumer, practitioner, provider, administrator, and funded constituencies; and consortia of such organizations and agencies operating at a state, regional (multi-state), or national level. These individuals and organizations may apply for funding to continue development of the framework for voluntary adult literacy standards currently being developed by the NIFL Equipped for the Future grantees. Evaluations to determine successful applications will be made using the published criteria. The Institute will use this information to make a maximum of three cooperative agreement awards for a period of up to 3 years.
