**SUPPLEMENTARY INFORMATION:**

**Summary of Information Collection**

This information is needed to support the information collection requirements of Public Law 102-484 which established the Temporary Early Retirement Authority (TERA). TERA is a DoD force reduction tool. It authorizes Service members who are short of their 20 year retirement to accumulate credit by finding employment with local governments and non-profit organizations. The DD Form 2676 "Validation of Public or Community Service Employment" was developed as part of a systematic employment

reporting mechanism. Employers certify public or community service employment and retired members submit the employment validation form, DD Form 2676 to the Defense Manpower Data Center for processing.

Dated: April 24, 1996.

**Department of the Air Force**

**Notice of Intent To Prepare an Environmental Assessment for the Disposal and Reuse of Ontario Air National Guard Station, Ontario, CA**

The United States Air Force (Air Force) is issuing this notice to advise the public that the Air Force intends to prepare an Environmental Assessment (EA) to assess the potential environmental impacts of disposal and reuse of Ontario Air National Guard Station (ANGS), Ontario, California.

The EA will address the potential environmental impact of disposal of the property to public or private entities, as well as the potential environmental impact of all reasonable reuse alternatives.

To provide a forum for public officials and the community to provide information and comments, a scoping meeting will be held in Ontario, California, on May 2, 1996, and the scoping period will extend to 31 May 1996. Notice of the time and location of this meeting will be provided at a later date, and publicized in the community. The purpose of this meeting is to help identify issues that need to be assessed and discussed in the EA. During this meeting, the Air Force will discuss the proposal to dispose of Ontario ANGS, describe the process involved in preparing an EA, and ask for help in identifying alternative uses for Ontario ANGS and any significant environmental impacts that may result from its disposal by the Air Force. In soliciting disposal and reuse alternatives, the Air Force will consider all reasonable alternatives offered by any federal, state, or local government agency, and any federally-sponsored or private entity or individual.

To ensure sufficient time to adequately consider public comments concerning environmental issues and disposal and reuse alternatives to be included in the EA, the Air Force recommends that comments and reuse proposals be presented at the upcoming scoping meeting or forwarded to the

address listed below at the earliest possible date. The Air Force will, however, accept additional comments at any time during the environmental impact analysis process.

Please direct written comments or requests for further information concerning the Ontario ANGS disposal and reuse EA to: Mr. George Gauger, AFCEE/ECM, 3207 North Road, Brooks AFB, TX 78235-5363, 210/536-6545 or 210/536-3839.

**Defense Logistics Agency**

**Finding of No Significant Impact for the Defense Logistics Agency Early Base Realignment and Closure (BRAC) Action**

**AGENCY:** Defense Logistics Agency (DLA), Department of Defense.

**ACTION:** Notice.

**SUMMARY:** The Defense Logistics Agency (DLA) prepared a programmatic environmental assessment pursuant to the Council on Environmental Quality Regulations (40 CFR Parts 1500-1508) for implementing the procedural provisions of the National Environmental Policy Act (42 U.S.C. 4321 *et seq.*) which evaluated the potential environmental and socioeconomic effects associated with realigning designated missions and personnel to enduring DLA activities pursuant to recommendations by the BRAC Commission and related discretionary action plans. The environmental assessment resulted in a finding of no significant environmental or socioeconomic impact.

**EFFECTIVE:** April 30, 1996.

**FOR FURTHER INFORMATION CONTACT:** Captain F.G. Leeder, USN, Staff Director, Public Affairs, Defense Logistics Agency, 8725 John J. Kingman Road, Suite 2533, Attn: CAAV, Ft. Belvoir, VA 22060-6220, (703) 767-6200.

**SUPPLEMENTARY INFORMATION:** In summary, the DLA proposed action, identified as the preferred alternative, is to:

- Disestablish the Defense Contract Management District (DCMD) South located in Marietta, GA, and redistribute its mission workload to the two enduring DCMDs, DCMD East in Boston, MA, and DCMD West in El Segundo, CA.
- Relocate the Defense Contract Management Command International
