SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Proposed Collection Request

Normally on Fridays, the Social Security Administration publishes a list of information collection packages that will require submission to the Office of Management and Budget (OMB) for clearance in compliance with Pub. L. 104-13 effective October 1, 1995, The Paperwork Reduction Act of 1995. Since the last list was published in the Federal Register on April 26, 1996, the information collections listed below have been proposed or will require extension of the current OMB approvals.

(Call the SSA Reports Clearance Officer on (410) 965-4123 for a copy of the form(s) or package(s), or write to her at the address listed below the information collections.)

Survey of Employers Regarding A Pre-retirement Satellite Broadcast—0960-NEW. The Social Security Administration (SSA) is attempting to establish satellite communications with private sector employers as an economical and efficient means of providing program information and training. SSA will broadcast a pre-retirement seminar via satellite and ask employers to provide information on the broadcast. The information collected by SSA will be used to determine employer

interest in receiving information by satellite and to determine what issues should be covered; i.e., retirement, legislative updates, wage reporting training, etc. The respondents are employers who have received the satellite transmission.

Number of Respondents: 10,000.

Frequency of Response: 1.

Average Burden Per Response: 5 minutes.

Estimated Annual Burden: 833 hours.

Comments and recommendations regarding these information collections should be sent within 60 days from the date of this publication, directly to the SSA Reports Clearance Officer at the following address:

Social Security Administration,
DCFAM, Attn: Charlotte S.
Whitenight, 6401 Security Blvd., 1-
A-21 Operations Bldg., Baltimore,
MD 21235

In addition to your comments on the accuracy of the agency's burden estimate, we are soliciting comments on the need for the information; its practical utility; ways to enhance its quality, utility and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology.

Dated: April 25, 1996.

Charlotte Whitenight,
Reports Clearance Officer, Social Security Administration.
