**Palm Beach Company, Knoxville, TN; Notice of Termination of Investigation**

Pursuant to Section 221 of the Trade Act of 1974, an Investigation was initiated on April 8, 1996 in response to a worker petition which was filed March 14, 1996 on behalf of workers at Palm Beach Company, Knoxville, Tennessee (TA-W-32,161).

The petitioning group of workers are covered under an existing Trade Adjustment Assistance certification (TA-W-31,600A). Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed at Washington, D.C., this 17th day of April 1996.

**Anchor Glass Container, Cliffwood, New Jersey; Notice of Revised Determination on Reconsideration**

On March 5, 1996, the Department issued a Negative Determination Regarding Eligibility to Apply for NAFTA-Transitional Adjustment Assistance (NAFTA-TAA) applicable to all workers of Anchor Glass Container located in Cliffwood, New Jersey. The notice was published in the Federal Register on March 25, 1996 (FR 61 12101)

By letter of March 22, 1996, counsel to the petitioner, Glass, Molders, Pottery, Plastics & Allied Workers International Union AFL-CIO and its Local 119, requested administrative reconsideration of the Department's findings.

The petitioners presented new evidence that was not considered in the

original determination. The petitioners claim that the introduction of Mexican glass containers in the U.S. resulted in a substantial loss of work for Anchor Glass production facilities, and ultimately contributed to worker separations at the Cliffwood plant. Anchor Glass Container is a subsidiary of Vitro Glass, which has production facilities in Mexico. The petitioners claim that the Mexican production facilities contributed importantly to the declines in sales, production, and employment at the Cliffwood plant.

Investigation findings revealed that sales, production and employment at the subject firm declined. The plant ceased production in December 1995, and the plant is scheduled to close in April 1996. The workers were engaged in the production of glass bottles.

New findings on reconsideration show that the aggregate value of U.S. imports of glass bottles from Mexico and Canada increased annually from 1993 to 1995.

**Conclusion**

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of glass bottles from Mexico or Canada contributed importantly to the declines in sales or production and to the total or partial separation of workers of Anchor Glass Container, Cliffwood, New Jersey. In accordance with the provisions of the Act, I make the following certification:

All workers of Anchor Glass Container, Cliffwood, New Jersey who became totally or partially separated from employment on or after January 5, 1995 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 5th day of April 1996.

**Haggar Clothing Company; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance**

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), the Department of Labor issued a Notice of Certification of Eligibility to Apply for NAFTA Transitional Adjustment Assistance on June 7, 1995, applicable to all workers

at the subject firm. The notice was published in the Federal Register on June 21, 1995 (60 FR 32347). The certification for workers of the subject firm was amended June 20, 1995, to show that some of the Robstown workers had their unemployment insurance (UI) taxes paid to Greenville Pant Manufacturing Company. The amended notice was published in the Federal Register on June 29, 1995, (60 FR 33849).

At the request of the company, the Department reviewed the certification for workers of the subject firm. New findings show that worker separations have occurred at other production facilities of the subject firm, Edinburg Manufacturing Company, a/k/a Waxahachie Garment Company, Edinburg, Texas, and Weslaco Manufacturing Company, a/k/a Bowie Manufacturing Company, Weslaco, Texas. The workers at the Edinburg plant produce men's pants, and the workers in Weslaco are engaged in employment related to the production of men's pants and coats.

The intent of the Department's certification is to include all workers of the Haggar Clothing Company who were adversely affected by increased imports from Mexico or Canada. Accordingly, the Department is amending the certification to include all workers of the Haggar Clothing Company production facilities in Edinburg and Weslaco, Texas.

The amended notice applicable to NAFTA-00444 is hereby issued as follows:

All workers of workers of Haggar Clothing Company, Robstown Manufacturing Company, a/k/a Greenville Pant Manufacturing Company, located in Robstown, Texas (NAFTA-00444); Edinburg Manufacturing Company, a/k/a Waxahachie Garment Company, Edinburg, Texas (NAFTA-00444A); and Weslaco Manufacturing Company, a/k/a Bowie Manufacturing Company, Weslaco, Texas (NAFTA-00444B) who became totally or partially separated from employment on or after April 27, 1994 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 19th day of April 1996.
