

A representative of APHIS will preside at the public hearing. Any interested party may appear and be heard in person, or through an attorney or other representative. We are interested in obtaining the views of the public on all aspects of the proposed rule.

Persons who wish to speak at the hearing will be asked to provide their names and affiliations. Parties wishing to make oral presentations may register in advance by either: (1) Calling the Regulatory Analysis and Development voice mail at (301) 734-4346 and leaving a message stating their name, telephone number, and organization, and the approximate time necessary for their presentation; or (2) providing the above information by electronic mail to dkaczmariski@aphis.usda.gov. Parties responding by e-mail may wish to use the electronic response registration form available at the APHIS Regionalization Proposal Web Page. A list of persons registered to speak at the hearing will also be posted to the Web page shortly before the hearing. The Web page URL is <http://www.aphis.usda.gov/PPD/> region. Registration will also be held at the hearing site on May 22, 1996, between 8 a.m. and 8:45 a.m. Speakers will be scheduled in the order their registration is received. Advance registrations must be transmitted to APHIS no later than 9 a.m., d.s.t., May 20, 1996.

The hearing will begin at 9 a.m. on May 22, 1996. The hearing on the second day, May 23, 1996, will be held only if speakers who have registered for the first day have not yet had a chance to speak. The hearing is scheduled to end at 5 p.m. each day that it is held, but may conclude at any time if all persons desiring to speak have been heard. The hearing officer may limit the time for each presentation so that all interested persons have an opportunity to participate. Attendees who wish to speak but who did not register will be provided time to speak only after all registered speakers have been heard.

We ask that anyone who reads a written statement provide two copies to the presiding officer at the hearing. A transcript will be made of the public hearing and the transcript will be placed in the rulemaking record and will be available for public inspection.

The purpose of the public hearing is to give all interested parties an opportunity to present data, views, and information to the Department concerning this proposed rule. Questions about the content of the proposal may be part of a commenter's oral presentation. However, neither the presiding officer nor any other

representative of the Department will respond to the comments at the hearing, except to clarify or explain the proposed rule.

APHIS intends to schedule additional hearings on the proposed rule at various locations around the country over the next several months. We will give notice of these additional hearings in the Federal Register.

Done in Washington, DC, this 1st day of May 1996.

Terry L. Medley,

Acting Administrator, Animal and Plant Health Inspection Service.

BILLING CODE 3410-34-P

SMALL BUSINESS ADMINISTRATION

13 CFR Part 121

Small Business Size Standards; Waiver of the Nonmanufacturer Rule

AGENCY: Small Business Administration.

ACTION: Notice of intent to waive the nonmanufacturer rule for purified terephthalic acid ground (PTAG) and un-ground (PTAU).

SUMMARY: The Small Business Administration (SBA) is considering granting a waiver of the Nonmanufacturer Rule for PTAG and PTAU. The basis for a waiver of the Nonmanufacturer Rule for these products is that there are no small business manufacturers or processors available to supply these products to the Federal Government. The effect of a waiver would be to allow an otherwise qualified Nonmanufacturer to supply other than the product of a domestic small business manufacturer or processor on a Federal contract set aside for small businesses or awarded through the SBA 8(a) Program. The purpose of this notice is to solicit comments and potential source information from interested parties.

DATES: Comments and sources must be submitted on or before May 29, 1996.

ADDRESSES: David Wm. Loines, Procurement Analyst, U.S. Small Business Administration, 409 3rd Street SW., Washington, DC 20416, Tel:(202) 205-6475.

SUPPLEMENTARY INFORMATION: Public law 100-656, enacted on November 15, 1988, incorporated into the Small Business Act the previously existing regulation that recipients of Federal contracts set-aside for small businesses or the SBA 8(a) Program procurement must provide the product of a small business manufacturer or processor, if

the recipient is other than the actual manufacturer or processor. This requirement is commonly referred to as the Nonmanufacturer Rule. The SBA regulations imposing this requirement are found a 13 CFR 121.906(b) and 121.1106(b). Section 303(h) of the law provides for waiver of this requirement by SBA for any "class of products" for which there are no small business manufacturers or processors in the Federal market. To be considered available to participate in the Federal market on these classes of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal Government within the last 24 months. The SBA defines "class of products" based on two coding systems. The first is the Office of Management and Budget Standard Industrial Classification Manual. The second is the Product and Service Code established by the Federal Procurement Data System.

The Small Business Administration is currently processing a request for a waiver of the Nonmanufacturer Rule for Purified Terephthalic Acid Ground (PTAG) and Un-Ground (PTAU) (SIC 2869, PSC 6810) and invites the public to comment or provide information on potential small business manufacturers for this product.

In an effort to identify potential small business manufacturers, the SBA has searched the Procurement Automated Source System (PASS) and Thomas Register, and the SBA will publish a notice in the Commerce Business Daily. The public is invited to comment or provide source information to SBA on the proposed waiver of the Nonmanufacturer Rule for this class of products.

Dated: April 29, 1996.

Judith A. Roussel,

Associate Administrator for Government Contracting.
