Since the Objecting Parties are not considered domestic producers for purposes of this no-interest revocation, Torrington's expression of no interest in the continuation of the order meets the criteria for revocation presented in section 782(h)(2) of the Act and section 355.25(d)(1)(i) of the Department's regulations. (For a further explanation of the Department's analysis, see the Memorandum for Susan G. Esserman regarding AFBs from Singapore and Thailand, dated April 15, 1996, which is on file in the public file of the Central Records Unit, Room B-099 of the Department of Commerce). This revocation applies to all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after January 1, 1995.

The Department will instruct the U.S. Customs Service to terminate the suspension of liquidation as of the date of publication of this notice and to liquidate all entries of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after January 1, 1995, without regard to countervailing duties. We will also instruct the U.S. Customs Service to refund with interest any estimated countervailing duties collected with respect to those entries.

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 C.F.R. 355.34(d). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.
