minimis parties’ contribution of hazardous substances that were removed from the Site. Due to exceptional circumstances, liability of parties and future costs were readily and fairly identifiable.

Boise Cascade Corporation has offered no new information in its comments to cause EPA to alter its decision to enter into the proposed de minimis settlements.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collections Being Reviewed by FCC

For Extension Under Delegated Authority 5 CFR Part 1320 authority, comments requested

May 1, 1996.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden, invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104–13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number.

Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. The FCC is reviewing the following information collection requirements for possible 3-year extension under delegated authority 5 CFR 1320, authority delegated to the Commission by the Office of Management and Budget (OMB).

DATES: Written comments should be submitted on or before July 8, 1996. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESS: Direct all comments to Dorothy Conway, Federal Communications, Room 234, 1919 M St., NW., Washington, DC 20554 or via Internet at dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202–418–0217 or via Internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060–0576. Title: Application for Renewal of Amateur Radio Station License. Form No.: FCC 610R. Type of Review: Extension of a currently approved collection. Respondents: Individuals. Number of Respondents: 2,000. Estimated Time Per Response: 5 minutes. Total Annual Burden: 168 hours. Needs and Uses: Amateur Radio Service licensees are required to apply for renewal of their radio station license every ten years. In lieu of filling a “long” form (FCC 610), the Commission allows this “short” form renewal to be filed. This form is computer generated and sent to licensees near the end of their ten year license term. They can renew simply by signing and returning the application as opposed to answering several questions on the “long” form. Commission personnel will use this data to determine eligibility for radio station renewal authorization and to issue a license. Data is also used by...
