[Docket No. CP96-369-000]

Florida Gas Transmission Company; Notice of Application

May 6, 1996.

Take notice that on April 30, 1996, Florida Gas Transmission Company (Florida Gas), 1400 Smith Street, Houston, Texas 77002, filed in Docket No. CP96-369-000, an application pursuant to Section 7(b) of the Natural Gas Act and Part 157 of the Commission's Regulations. Florida Gas seeks an order authorizing the abandonment of its transportation service with Washington Gas Company (Washington Gas), known as Rate Schedule X-7. Florida Gas's request is more fully set forth in the application, which is on file with the Commission and open to public inspection.

Florida Gas says that in letter agreement dated December 17, 1984, it and Washington Gas have agreed to terminate the transportation service effective December 31, 1984. The transportation service had been rendered by Florida Gas under a transportation service agreement dated June 24, 1975, see Docket No. CP76-71, 56 FPC 463 (1976). This service agreement was designated as Rate Schedule X-7 in Florida Gas's Original Volume No. 3 of its FERC Gas Tariff. Florida Gas says that the proposed

abandonment will not result in the abandonment of facilities nor will it result in the abandonment of service to any other customers of Florida Gas.

Any person desiring to be heard or to make any protest with reference to said application should on or before May 24, 1996, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, or if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Florida Gas to appear or be represented at the hearing.

Linwood A. Watson, Jr.,

Acting Secretary.
