**JOINT LEAD AGENCIES:** National Park Service, Minnesota Department of Natural Resources, Wisconsin Department of Natural Resources.

**ACTION:** Notice of Intent to prepare an environmental impact statement for the Cooperative Management Plan for the Lower St. Croix National Scenic Riverway, Minnesota and Wisconsin.

**SUMMARY:** The National Park Service, Minnesota Department of Natural Resources, and Wisconsin Department of Natural Resources will serve as joint lead agencies in the preparation of an environmental impact statement to assess the impacts of alternative management concepts for a cooperative management plan for the Lower St. Croix National Scenic Riverway. The purpose of a cooperative management plan is to set forth the basic management philosophy for the riverway and provide the strategies for addressing issues and achieving identified management objectives. The Cooperative Management Plan/Environmental Impact Statement (CMP/EIS) will evaluate the environmental impacts of a range of alternatives to address distinct management issues for the riverway, such as resource protection, riverway uses, and development. As a conceptual framework for formulating these alternatives, the riverway's purposes, significant resources, and the management goals will first be identified.

The first of a series of public meetings to develop the plan were conducted in February and April 1996. Additional scoping opportunities such as public meetings, newsletters, etc. will be provided. This Notice will also serve as an additional scoping method. Persons who may be interested in or affected by the proposed plan/EIS are invited to participate in the scoping process by responding to this Notice with written comments. The scoping process will help define issues or problems facing the riverway.

The draft plan and environmental impact statement are expected to be

completed and available for public review by the fall of 1998. The final plan, environmental impact statement, and Record of Decision are expected to be completed within one year of the release of the draft document.

The responsible officials are Bill Schenk, Field Director, Midwest Field Area, National Park Service; Rod Sando, Commissioner, Minnesota Department of Natural Resources, and George Meyer, Secretary Wisconsin Department of Natural Resources.

**DATES:** Written comments concerning the CMP/EIS should be received on or before July 15, 1996.

**ADDRESSES:** Written comments concerning the plan/environmental impact statement should be sent to the Planning Coordinator, Coordination Office, 117 Main street, Stillwater, Minnesota 55082.
