Department of the Army

Draft Environmental Impact Statement (DEIS) for the Western Army National Guard Aviation Training Site (WAATS) Proposed Expansion

LEAD AGENCIES: National Guard Bureau, Department of the Army, and the Department of the Air Force, Department of Defense.

COOPERATING AGENCY: Federal Bureau of Land Management, Department of the Interior.

ACTION: Notice of Availability.

SUMMARY: Expansions to existing training areas and facilities at the WAATS are for the purpose of enhancing readiness and training of National Guard aviation units, improving training safety, constructing facilities to meet training demands, and complying with environmental requirements.

This document addresses the environmental impacts of the proposed actions, reasonable alternatives and the impact upon Guard readiness of taking no action. The proposed action and each alternative action consist of three essential components: (1) increase the size of the original Tactical Flight Training Area (TFTA) to improve training, enhance training safety through reduced training congestion, allowing limited ground training support activities, and to reduce noise and environmental impacts through closing some parts of the existing TFTA; (2) increase the number of helicopter gunnery training operations through construction of new ranges or modification to existing ranges and; (3) construct new facilities for housing, training, maintenance and to comply with changing environmental requirements.

The DEIS will be available for public review for 45 days from the date the Notice of Availability is published in the Federal Register. The Arizona National Guard WAATS will conduct public hearings to discuss concerns and

comments on the DEIS. Public hearings will be held in several locations throughout the project area. Specific locations, dates and times will be announced through letters to those on the project mailing list and to others through Notices, Display Advertisements and Legal Notices in general circulation newspapers.

ADDRESSES: Copies of the DEIS Executive Summary will be mailed to individuals who participated in the public scoping process. Copies of the entire DEIS may be requested from the Project Officer. Copies will also be sent to Federal, state, regional, and local agencies; interested organizations and agencies; and public libraries. Individuals not currently on the mailing list may obtain a copy on request.

FOR FURTHER INFORMATION CONTACT: The DEIS Project Officer, Lieutenant Colonel Richard Murphy, Deputy Commander, Western Army National Guard Aviation Training Site, Building 145-500, Pinal Air Park, Marana, Arizona 85653-9598, (520) 682-4590.
