

*Wednesday, June 5, 1996—8:30 a.m.
until the conclusion of business*

The Subcommittees will discuss the Level 1 probabilistic risk assessment, and low-power and shutdown risk assessment related to the Westinghouse AP600 design. The purpose of this meeting is to gather information, analyze relevant issues and facts, and to formulate proposed positions and actions, as appropriate, for deliberation by the full Committee.

Oral statements may be presented by members of the public with the concurrence of the Subcommittee Chairman; written statements will be accepted and made available to the Committee. Electronic recordings will be permitted only during those portions of the meeting that are open to the public, and questions may be asked only by members of the Subcommittees, their consultants, and staff. Persons desiring to make oral statements should notify the cognizant ACRS staff engineers named below five days prior to the meeting, if possible, so that appropriate arrangements can be made.

During the initial portion of the meeting, the Subcommittees, along with any of their consultants who may be present, may exchange preliminary views regarding matters to be considered during the balance of the meeting.

The Subcommittees will then hear presentations by and hold discussions with representatives of the NRC staff, Westinghouse Electric Corporation, and other interested persons regarding this review.

Further information regarding topics to be discussed, whether the meeting has been cancelled or rescheduled, the Chairman's ruling on requests for the opportunity to present oral statements and the time allotted therefor can be obtained by contacting the cognizant ACRS staff engineers, Mr. Noel Dudley (telephone 301/415-6888) or Mr. Brian Hughes (telephone 301/415-5767) between 7:30 a.m. and 4:15 p.m. (EDT). Persons planning to attend this meeting are urged to contact one of the above named individuals one or two working days prior to the meeting to be advised of any potential changes to the agenda, etc., that may have occurred.

Dated: May 16, 1996.

Protecting the Identity of Allegers and Confidential Sources; Policy Statement

AGENCY: Nuclear Regulatory Commission.

ACTION: Final policy statement.

SUMMARY: This revision is an update of the Commission's policy for protecting the identity of an individual who has been granted confidentiality. This revision reflects the changes in the organization of the NRC and the agency's practices concerning confidentiality, including informing individuals of the availability of confidentiality, circumstances under which confidentiality will be granted, and circumstances under which the identity of confidential sources will be revealed. The revision also describes the measures taken by the NRC to protect the identity of all individuals who bring safety concerns to the agency, regardless of whether the individual is granted confidentiality. This statement of policy is not a major rule as defined in Section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996.

EFFECTIVE DATE: May 23, 1996.

SUPPLEMENTARY INFORMATION:

Background

On November 25, 1985 (50 FR 48506), the Nuclear Regulatory Commission (NRC or Commission) issued a Statement of Policy to provide a clear, agency-wide policy on the granting of confidentiality to persons who provide information to the NRC concerning licensee activities. The Commission is revising the policy statement to reflect changes in the NRC organization and criteria for disclosing the identity of confidential sources. The policy statement also describes the measures taken to protect the identity of any individual who brings safety concerns to the NRC and the circumstances under which the individual's identity may be disclosed. The Commission's inspection and investigatory programs rely in part
