Approval and Promulgation of State Implementation Plans: Washington

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed Rule.

SUMMARY: The EPA proposes to approve the State Implementation Plan (SIP) revision submitted by the State of Washington for the purpose of updating regulations administered by the Energy Facility Site Evaluation Council (EFSEC). The SIP revision was submitted by the State to satisfy Federal Clean Air Act requirements contained in 40 CFR Part 52. If no adverse comments are received in response to this proposed rule, no further activity is contemplated in relation to this rule. If the EPA receives adverse comments, the direct final rule will be withdrawn and all
