**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Preliminary Results of Countervailing Duty Administrative Reviews; Notice of Initiation and Preliminary Results of Changed Circumstances Review and Preliminary Determination to Revoke Order in Part.

**SUMMARY:** The Department of Commerce (the Department) is conducting three administrative reviews of the countervailing duty order on live swine from Canada. We preliminarily determine the net subsidy to be Can\$0.0594 per kilogram for the period April 1, 1991 through March 31, 1992, Can\$0.0609 per kilogram for the period April 1, 1992 through March 31, 1993, and Can\$0.0099 per kilogram for the period April 1, 1993 through March 31,

1994. If the final results remain the same as these preliminary results of administrative reviews, we will instruct the U.S. Customs Service to assess countervailing duties as indicated above. Interested parties are invited to comment on these preliminary results.

In accordance with 19 C.F.R. § 355.22(h)(1)(i), the Department is initiating a changed circumstances countervailing duty administrative review and issuing a preliminary determination of its intent to revoke, in part, the countervailing duty order on live swine from Canada. On December 11, 1995, petitioners requested that the Department revoke the order, in part, as to slaughter sows and boars and weanlings, effective April 1, 1991. Based on the fact that this portion of the order is no longer of interest to domestic parties, we preliminarily determine that this order should be revoked, in part, with respect to slaughter sows and boars and weanlings. Interested parties are invited to comment on these preliminary results.
