### Health Resources and Services Administration

#### National Practitioner Data Bank: Availability of and Cost Options for Copies of Public Use Data File

The Health Resources and Services Administration (HRSA), Department of Health and Human Services (DHHS), announces the availability of a public use data file which includes selected information from over 120,000 reports submitted to the National Practitioner Data Bank between September 1, 1990 and December 31, 1995. HRSA is considering making updated versions of

the file available every 6 months. The file contains information concerning (1) malpractice payments made for the benefit of physicians, dentists, and other health care practitioners and (2) adverse licensure, clinical privileges, and professional society membership actions concerning physicians and dentists.

Selected variables in the file include: type of practitioner, type of reporting entity, practitioner's State, malpractice payment amount, reasons for malpractice payment, date of payment, and whether payment is a result of judgment or settlement. The file also includes information on the reason for licensure and clinical privileges adverse action, the type of action taken, and the duration of such action.

The file does *not* contain information which would allow identification of individual physicians, dentists, or other health care practitioners. Accordingly, hospitals cannot use this file to meet their obligation under section 425 of Public Law 99-660 (42 U.S.C. 11135) to query the National Practitioner Data Bank on individual practitioners. The file also does *not* contain information identifying either entities which filed reports with the National Practitioner Data Bank or patients. This information is being made available pursuant to section 427(b) of Public Law 99-660 (42 U.S.C. 11137(b)).

The public use file is in ASCII format and is approximately 19 megabytes in size. It is available only in compressed form on IBM-PC compatible high density 3.5 inch diskettes. In addition to the data itself, a complete file description in ASCII text format is included on the diskettes. An introductory copy of the file may be obtained at no charge by calling the National Practitioner Data Bank "Help Line" at 1-800-767-6732.

HRSA will be establishing appropriate charges for subsequent editions of the file. Charges will be based on associated administrative costs, file preparation costs, distribution costs, processing costs, etc.

We would like to receive comments on your potential use of this file. Please send comments to: Thomas C. Croft, Director, Division of Quality Assurance, Room 8A-55, 5600 Fishers Lane, Rockville, Maryland 20857 and mark "Attention: Public Use File."

Dated: May 25, 1996.
