Dataproducts Corporation; Norcross, GA; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on May 15, 1996, applicable to workers of Dataproducts Corporation, Norcross, Georgia. The Notice will soon be published in the Federal Register.

The Department reviewed the certification for workers of the subject firm. New findings show that the Department inadvertently issued the certification to all workers instead of workers producing computer ribbon products, the subject of the petition. The company reports that the workers are separately identifiable. Accordingly, the Department is amending the certification to limit coverage only to the workers at the Norcross plant producing computer ribbon products.

The amended notice applicable to NAFTA—00944 is hereby issued as follows:

All workers of Dataproducts Corporation, Norcross, Georgia, engaged in the production of computer ribbon products who became totally or partially separated from employment on or after April 1, 1995 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, DC, this 20th day of May 1996.

Russell T. Kile,

Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

[NAFTA-00999]

Zena Enterprises, New York, NY; Notice of Termination of Investigation

Pursuant to Section 250(b)(1) of the Trade Act of 1974, as amended, an investigation was initiated for workers of the subject firm. The Department inadvertently issued a certification on May 8, 1996, irrespective of the fact that the workers were covered under an existing certification. The notice will soon be published in the Federal Register. This notice corrects the above noted inadvertent action.

On April 23, 1996, under petition NAFTA-00721, the Department amended the certification for all workers of R.D. Simpson, Incorporated (Including D & E Laundry) in Cartersville, Georgia, to include an affiliate of the subject firm, Zena Enterprises, New York, New York (NAFTA-00721A). The notice was published in the Federal Register on May 8, 1996 (61 FR 20837).

Therefore, since the subject workers were previously certified, further investigation in NAFTA-00999 would serve no purpose and the investigation has been terminated.

Signed at Washington, DC, this 21st day of May 1996.

Russell T. Kile,

Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
