Statement of Procedural Rules

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF), Department of the Treasury.

ACTION: Treasury Decision, final rule.

SUMMARY: This Treasury decision removes regulations in 27 CFR Part 71,

Statement of Procedural Rules, which are duplicated in 31 CFR Part 1, Disclosure of Records. It also transfers certain regulations from 27 CFR Part 71 to 27 CFR Part 70, resulting in the elimination of Part 71.

EFFECTIVE DATE: This final rule is effective August 12, 1996.

FOR FURTHER INFORMATION CONTACT: Nancy Bryce, Tax Compliance Branch, (202-927-8220) or Eric O'Neal, Disclosure Branch, (202-927-8480), Bureau of Alcohol, Tobacco and Firearms, 650 Massachusetts Avenue, NW, Washington, DC 20226.

SUPPLEMENTARY INFORMATION:

Background

On February 21, 1995, President Clinton announced a regulatory reform initiative. As part of this initiative, each Federal agency was instructed to conduct a page by page review of all agency regulations to identify those which are obsolete or burdensome and those whose goals could be better achieved through the private sector, self-regulation or state and local governments. In cases where the agency's review disclosed regulations which should be revised or eliminated, the agency would, as soon as possible, propose administrative changes to its regulations.

The page by page review of all regulations was completed as directed by the President. In addition, on April 13, 1995, the Bureau published Notice No. 809 (60 FR 18783) in the Federal Register requesting comments from the public regarding which ATF regulations could be improved or eliminated. As a result of the Bureau's analysis of its regulations and the public comments received, a number of regulatory initiatives were developed which are intended to accomplish the President's goals.

Pursuant to the President's directive, ATF reviewed 27 CFR part 71, Statement of Procedural Rules. ATF determined that there were regulations in part 71 which were largely duplicative of regulations found in 31 CFR part 1, Disclosure of Records. ATF also decided that certain regulations in part 71 should be transferred to 27 CFR part 70, Procedure and Administration, since they were related to the subject matter of part 70.

Part 71 deals primarily with the procedures for the disclosure of records and the publication of rules, regulations, forms, and instructions. ATF has determined that the information contained in sections 71.21, 71.22, 71.23, 71.24, and 71.25 is largely duplicative of information already

contained in 31 CFR part 1. Part 1 contains the regulations of the Department of Treasury concerning disclosure of records, and provides Appendices specifically relating to the component Bureaus of the Treasury Department, including ATF.

ATF has decided that it is unnecessary to provide identical information regarding the disclosure of records in two separate titles of the Code of Federal Regulations. Thus, we are removing sections 71.21-71.25 and Appendix A. So that users of Title 27 will know where to look for the ATF regulations on disclosure of records, we have added a new section which cross-references the disclosure regulations of the Department of Treasury. The new section also informs the public that inquiries regarding the disclosure of ATF records may be directed to the Chief, Disclosure Branch. The appendix in 31 CFR part 1 relating to ATF will be updated to reflect the locations where the public may inspect and copy ATF documents.

Certain sections within part 71 contain information which is not found in 31 CFR part 1. Section 71.26 provides rules for disclosure of certain specified matters relating to ATF. Section 71.27 explains the procedures for requesting or demanding disclosure of records or information in testimony or related matters. Section 71.41 explains the procedures for issuing rules and regulations. Section 71.42 deals with the issuance of forms and instructions. All of these sections will be moved to 27 CFR part 70, since they relate to procedure and administration. In addition, the pertinent sections in part 70 relating to the scope of the part, and the definitions of terms used in the part, are amended to reflect the new sections incorporated from part 71.

As a result of these changes, part 71 will be removed from the Code of Federal Regulations. Certain other minor technical changes have been made to the regulations which have been redesignated in this final rule.

Paperwork Reduction Act

The provisions of the Paperwork Reduction Act of 1980, Public Law 96-511, 44 U.S.C. Chapter 35, and its implementing regulations, 5 CFR Part 1320, do not apply to this final rule because no requirement to collect information is imposed.

Regulatory Flexibility Act

The provisions of the Regulatory Flexibility Act relating to a final regulatory flexibility analysis (5 U.S.C. 604) are not applicable to this final rule because the agency was not required to

publish a notice of proposed rulemaking under 5 U.S.C. 553 or any other law.

Executive Order 12866

It has been determined that this rule is not a significant regulatory action, because (1) it will not have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in Executive Order 12866.

Administrative Procedure Act

Because this final rule merely makes technical amendments and conforming changes to improve the clarity of the regulations, and removes information found elsewhere in the regulations, it is unnecessary to issue this Treasury decision with notice and public procedure under 5 U.S.C. 553(b).

RIN 1512-AB56

Technical Amendments

AGENCY: Bureau of Alcohol, Tobacco and Firearms (ATF) Treasury.

ACTION: Final rule, Treasury decision.

SUMMARY: This Treasury decision changes the titles Regional Regulatory Administrator and Regional Director (Compliance) to District Director. All changes are to provide clarity and uniformity throughout title 27 Code of Federal Regulations.

EFFECTIVE DATE: June 13, 1996.

FOR FURTHER INFORMATION CONTACT: Julie F. Cox, Tax Compliance Branch, 650 Massachusetts Avenue, NW., Washington, DC 20226, (202-927-8220).

SUPPLEMENTARY INFORMATION: The Bureau of Alcohol, Tobacco and Firearms (ATF) administers regulations published in chapter I of title 27 Code of Federal Regulations. Upon reviewing title 27 for the annual revision, ATF determined that the regulations in part 200 should be revised to reflect the ATF field structure reorganization that established District Directors in place of the Regional Directors (Compliance) (formerly Regional Regulatory Administrators).

These amendments do not make any substantive changes and are only intended to improve the clarity of title 27.

Paperwork Reduction Act

The provisions of the Paperwork Reduction Act of 1980, Public Law 96-

511, 44 U.S.C. Chapter 35, and its implementing regulations, 5 CFR part 1320, do not apply to this final rule because there are no recordkeeping or reporting requirements.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required for this rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) does not apply.

Executive Order 12866

It has been determined that this rule is not a significant regulatory action because it will not, (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, productivity, competition, jobs, the environment, public health or safety, or State, local or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in Executive Order 12866.

Administrative Procedures Act

Because this final rule merely makes technical amendments and conforming changes to improve the clarity of the regulations, it is unnecessary to issue this final rule with notice and public procedure under 5 U.S.C. 553(b).
