14 CFR Part 71

[Airspace Docket No. 95-ASO-20]

Establishment of Federal Colored Airway B-9; FL

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This rule establishes a Colored Federal Airway, Blue-9 (B-9), from the DEEDS Intersection to the

Marathon Nondirectional Beacon (NDB), FL. The establishment of B-9 will enhance the management of air traffic and accommodate the users of that airspace.

EFFECTIVE DATE: August 15, 1996.

SUPPLEMENTARY INFORMATION:

History

On February 6, 1996, the FAA proposed to amend Title 14 of the Code of Regulations part 71 (14 CFR part 71) to establish a Colored Federal Airway, B-9, in Florida (61 FR 04380). Interested parties were invited by the FAA to participate in this rulemaking effort by submitting written comments on the proposal. Except for editorial changes, this amendment is the same as proposed in the notice. Colored Federal airways are published in paragraph 6009(d) of FAA Order 7400.9C dated August 17, 1995, and 95-ASO-20 2 effective September 16, 1995, which is incorporated by reference in 14 CFR 71.1. The Colored Federal airway listed in this document will be published subsequently in the Order.

The Rule

This amendment to 14 CFR part 71 establishes a new Colored Federal Airway, B-9, from the DEEDS Intersection to the Marathon NDB, FL. This action will enhance the management of air traffic and accommodate the users of that airspace.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This rule alters Federal Airways V-99, V-451, and Jet Route 62 (J-62) in the states of Massachusetts and Connecticut.
