

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549

Extension: Rule 17f-4
SEC File No. 270-232
OMB Control No. 3235-0225

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for approval of extension on the following rule:

Rule 17f-4 [17 CFR 270.17f-4] under the Investment Company Act of 1940 [15 U.S.C. 80a-1 *et seq.*] (the "Act") specifies conditions under which a registered management investment company or its custodian may place the company's securities in a securities depository. The rule requires a custodian to provide confirmations and keep records of transactions, and requires the custodian, its agents, and depositories to provide reports on internal accounting controls. Confirmations and records give the company objective evidence of transactions performed on its behalf. Reports on internal controls provide information necessary to evaluate the safety of depository arrangements.

Approximately 100 custodians are subject to the requirement to provide confirmations and keep records, and those custodians and approximately 150 other agents and six depositories are subject to the requirement to provide internal control reports. The 256 respondents make approximately 25,256 responses and spend approximately 25,256 hours annually in complying with the reporting and recordkeeping requirements of the rule.

The estimates of burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study.

General comments regarding the estimated burden hours should be directed to the Desk Officer for the Securities and Exchange Commission at the address below. Any comments concerning the accuracy of the estimated average burden hours for compliance with Commission rules and forms should be directed to Michael E. Bartell, Associate Executive Director, Office of Information Technology,

Securities and Exchange Commission, 450 Fifth Street NW., Washington, DC 20549 and the Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 3208, New Executive Office Building, Washington, DC 20503.

Dated: June 4, 1996.
Margaret H. McFarland,
Deputy Secretary.

[File No. 1-10512]

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Del Global Technologies Corp., Common Stock, \$.10 Par Value)

June 10, 1996.

Del Global Technologies Corp. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, its Board of Directors unanimously approved resolutions on March 26, 1996 to withdraw the Security from listing on the Amex and instead, to list the Securities on the National Association of Securities Dealers Automated Quotations National Market System ("Nasdaq/NMS").

The decision of the Board followed a thorough study of the matter and was based upon the belief that listing the Security on the Nasdaq/NMS will be more beneficial to the Company's stockholders than the present listing on the Amex because:

1. The Nasdaq system of multiple, competing market makers will provide the Company with increased visibility within the financial community, thereby encouraging greater investor awareness of the Company's activities.

2. The Nasdaq system will enable the Company to attract its own group of market makers and expand the capital base available for purchases of its Security;

3. The Nasdaq system will, in the Company's directors' opinions, stimulate increased demand for the

Security and result in greater liquidity for the Company's shareholders; and

4. The firm making a market in the Security on Nasdaq will be more likely to institute and issue research reports on the Company, which will increase the availability of information about the Company and enhance the Company's visibility to investors.

Any interested person may, on or before July 1, 1996 submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.
