RIN 0644–XX01

Removal of CFR Chapter

AGENCY: United States Travel and Tourism Administration, Commerce.

ACTION: Final rule.

SUMMARY: The Omnibus Consolidated Rescissions and Appropriations Act of 1996 did not include funding for the U.S. Travel and Tourism Administration. Some functions that are directly linked to tourism and trade are

being established in the International Trade Administration, and no further funding is required. Therefore, the United States Travel and Tourism regulations regarding the issuance of grants to promote travel to States or their political subdivisions by foreign residents are being removed from the Code of Federal Regulations.

EFFECTIVE DATE: July 17, 1996.

FOR FURTHER INFORMATION CONTACT:

Joan DeBellis, 202–482–4606.

SUPPLEMENTARY INFORMATION: In March 1995, President Clinton issued a directive to Federal agencies regarding their responsibilities under his Regulatory Reform Initiative. This initiative is part of the National Performance Review and calls for immediate, comprehensive regulatory reform. The President directed all agencies to undertake, as part of this initiative, an exhaustive review of all their regulations—with an emphasis on eliminating or modifying those that are obsolete or otherwise in need of reform. The Omnibus Consolidated Rescissions and Appropriations Act of 1996 (Public Law 104–134) did not include funding for the United States Travel and Tourism Administration. On April 27, 1996, the United States Travel and Tourism Administration ceased to exist. Therefore, the regulations regarding the issuance of grants to promote travel to States or their political subdivisions by foreign residents are being removed because the program is no longer funded.

Miscellaneous Rulemaking Requirements

1. It has been determined that this rulemaking action is not significant for purposes of Executive Order 12866.

2. This rulemaking is exempt from all procedural requirements of section 553 of the Administrative Procedure Act, 5 U.S.C. 553.
