

ADDRESSES: Interested parties should contact the Superintendent, Buffalo National River, P.O. Box 1173, Harrison, Arkansas 72602-1173, to obtain a copy of the prospectus describing the requirements of the proposed permits.

SUPPLEMENTARY INFORMATION: This permit renewal has been determined to be categorically excluded from the procedural provisions of the National Environmental Policy Act and no environmental document will be prepared.

The existing concessionaires have performed their obligations to the satisfaction of the Secretary under existing permits which expire by limitation of time on October 31, 1996, and therefore pursuant to the provisions of Section 5 of the Act of October 9, 1965 (79 Stat. 969; 16 U.S.C. 20), each existing concessioner is entitled to be given preference in the renewal of the permit and in the negotiation of a new permit, providing that the existing concessioner submits a responsive offer (a timely offer which meets the terms and conditions of the Prospectus). This means that the permit will be awarded to the party submitting the best offer, provided that if the best offer was not submitted by the existing concessioner, then the existing concessioner will be afforded the opportunity to match the best offer. If the existing concessioner agrees to match the best offer, then the permit will be awarded to the existing concessioner.

If any of the existing concessionaires does not submit a responsive offer, the right of preference in renewal shall be considered to have been waived, and the permit will then be awarded to the party that has submitted the best responsive offer.

The Secretary will consider and evaluate all proposals received as a result of this notice. Any proposal, including that of the existing concessioner, must be received by the Superintendent, not later than the sixtieth (60th) day following publication of this notice to be considered and evaluated.

Dated: June 14, 1996.

Acting Field Director, Midwest Field Area.

DATES: The deadline for filing of claims in this program is September 30, 1996.

FOR FURTHER INFORMATION CONTACT:

Notice of Deadline for Filing of Holocaust Claims

Certain United States survivors of the Holocaust are eligible for compensation pursuant to a September 19, 1995, agreement between the United States and the Government of the Federal Republic of Germany.

The Foreign Claims Settlement Commission will conduct a claims program to identify persons eligible under the agreement. This will be the only opportunity for U.S. citizens to seek compensation from Germany through the U.S. Government for loss of liberty or damage to health due to Nazi persecution. The decisions of the Commission will serve as the basis for negotiation of a compensation figure between the U.S. Department of State and the German Government, which has already agreed in principle to compensate eligible claimants.

This program is open to those U.S. citizens who were U.S. citizens at the time of their persecution and were interned in concentration camps or under comparable conditions. The agreement excludes compensation for those who were subjected to forced labor only and for those who have previously received compensation from Germany.

Any person wishing to file a claim must request and complete an official claim form, providing information including:

(1) The name, address and telephone number of claimant;

(2) A brief narrative description of the circumstances leading to and the nature of the Nazi persecution, including the dates and places of internment, and the impact of persecution on the freedom and health of claimant;

(3) Documentary proof of United States citizenship both (a) at the time of Nazi persecution and (b) at present;

(4) Documentary proof of claimant's loss of liberty or damage to health as a result of Nazi persecution (for example, a certified copy of a contemporaneous government document or report of a contemporaneous medical examination, or sworn witness statements);

(5) Any additional information or documentation relevant to the level of compensation sought by the claimant.

Completed claim forms and supporting documentation must be submitted no later than September 30, 1996.

The Commission will conduct this program and render its decisions in accordance with its regulations, which are published in Chapter V of Title 45, Code of Federal Regulations (45 CFR 500 *et seq.*). In particular, attention is directed to 45 CFR 531.6(d), which provides that the claimant shall bear the burden of proof on all elements of a claim. A copy of the regulations is available from the Commission upon request.

Requests for claim forms should be addressed to: Foreign Claims Settlement Commission of the United States, Washington, DC 20579. Forms also may be requested by telephone, at (202) 616-6975, or by facsimile, at (202) 616-6993.

Approval has been obtained from the Office of Management and Budget for the collection of this information. Approval No. 1105-0068.
