3. Section 46.103 is amended at the end of paragraph (c) by removing "and"; in paragraph (d) by removing the period and inserting "; and"; and by adding paragraph (e) to read as follows:

(e) Ensuring that nonconformances are identified, and establishing the significance of a nonconformance when considering the acceptability of supplies or services which do not meet contract requirements.

4. Section 46.407 is amended by revising the first sentence of paragraph (c)(1) introductory text, and in the third sentence by removing the comma after the word "determination"; revising paragraph (d); and revising the first sentence of paragraph (f) to read as follows:

**AGENCIES:** Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

**ACTION:** Final rule.

**SUMMARY:** The Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council have agreed on a final rule to amend a Federal Acquisition Regulation (FAR) provision to delete the statement advising offerors to obtain copies of specifications from General Services Administration Business Service Centers. The substance of the provision is not changed. Specifications are no longer available at the Business Service Centers. This regulatory action was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993, and is not a major rule under 5 U.S.C. 804.

**EFFECTIVE DATE:** August 19, 1996.

**FOR FURTHER INFORMATION CONTACT:** Mr. Jack O'Neill at (202) 501-3856 in reference to this FAR case. For general information, contact the FAR Secretariat, Room 4037, GS Building, Washington, DC 20405, (202) 501-4755. Please cite FAC 90-39, FAR case 95-603.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

This final rule amends the provision at FAR 52.211-1 to delete the statement that copies of specifications may be obtained from the General Services Administration Business Service Centers in Boston, New York, Philadelphia, Atlanta, Kansas City, and Fort Worth. Copies of specifications are no longer available at the Business Service Centers.

**B. Regulatory Flexibility Act**

The final rule does not constitute a significant FAR revision within the meaning of FAR 1.501 and Public Law 98-577, and publication for public comments is not required. Therefore, the Regulatory Flexibility Act does not apply. However, comments from small entities concerning the affected FAR subpart will be considered in accordance with 5 U.S.C. 610. Such comments must be submitted separately and cite 5 U.S.C. 601, *et seq.* (FAC 90-

39, FAR case 95-603), in correspondence.

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose recordkeeping or information collection requirements, or collections of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
