

Construction of the facility is expected to commence in the third quarter of 1996. The electric utility which will purchase the electric output of the facility is Puerto Rico Electric Power Authority.

Any person who wishes to be heard or to object to granting qualifying status should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with rules 211 and 214 of the Commission's Rules of Practice and Procedure. A motion of protest must be filed within 15 days after the date of publication of this notice and must be served on the applicant. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. A person who wishes to become a party must file a motion to intervene. Copies of these filings are on file with the Commission and are available for public inspection.

Midwest Hydraulic Company; Notice of Proposed Restricted Service List for a Programmatic Agreement for Managing Properties Included in or Eligible for Inclusion in the National Register or Historic Places

June 14, 1996.

Rule 2010 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure provides that, to eliminate unnecessary expense or improve administrative efficiency, the Secretary may establish a restricted service list for a particular phase or issue in a proceeding.¹ The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

The Commission is consulting with the State Historical Society of Wisconsin (hereinafter, SHPO) and the Advisory Council on Historic Preservation (hereinafter, Council) pursuant to the Council's regulations, 36 CFR Part 800, implementing Section 106 of the National Historic Preservation Act, *as amended*, (16 U.S.C. Section

470f), to prepare a programmatic agreement for managing properties included in, or eligible for inclusion in, the National Register of Historic Places at Project No. 10805-002.

The programmatic agreement, when executed by the Commission, the SHPO, and the Council, would satisfy the Commission's Section 106 responsibilities for all individual undertakings carried out in accordance with the license until the license expires or is terminated (36 CFR 800.13[e]). The Commission's responsibilities pursuant to Section 106 for the above project would be fulfilled through one programmatic agreement for comments under Section 106. The executed programmatic agreement would be incorporated into any order issuing license.

Midwest Hydraulic Company, as prospective licensee for Project No. 10805-002, is invited to participate in consultation to develop the programmatic agreement and to sign as a concurring party to the programmatic agreement.

Project No. 10805-002

For purposes of commenting on the programmatic agreement, we propose to restrict the service list for Project No. 10805-002 as follows:

Mr. Richard Dexter, State Historical Society of Wisconsin, 816 State Street, Madison, WI 53706-1488

Dr. Robert D. Bush, Advisory Council on Historic Preservation, The Old Post Office Building, Suite 809, 1100 Pennsylvania Ave., NW., Washington, D.C. 20004

Mr. Andy Blystra, Midwest Hydraulic Company, 680 Washington Ave., Holland, MI 49423

Any person on the official service list for the above-captioned proceedings may request inclusion on the restricted service list, or may request that a restricted service list not be established, by filing a motion to that effect within 15 days of this notice date.

An original and 8 copies of any such motion must be filed with the Secretary of the Commission (888 First Street, NE, Washington, D.C., 20426) and must be served on each person whose name appears on the official service list. If no such motions are filed, the restricted service list will be effective at the end of the 15 day period. Otherwise, a further notice will be issued ruling on the motion.

Linwood A. Watson, Jr.,
Acting Secretary.

SDS Petroleum Products, Incorporated; Notice of Issuance of Order

June 13, 1996.

SDS petroleum Products, Incorporated (SDS) submitted for filing a rate schedule under which SDS will engage in wholesale electric power and energy transactions as a marketer. SDS also requested waiver of various Commission regulations. In particular, SDS requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by SDS.

On June 6, 1996, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by SDS should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of

¹ 18 CFR Section 385.2010.
