Needs and Uses: On April 17, 1996, the Commission issued a Public Notice, Report No. SPB-41, setting forth procedures to be followed when submitting petitions for declaratory ruling or waiver, under Section 25.104 of the Commission's rules, 47 CFR 25.104, of governmental restrictions on

the installation of satellite earth stations. Emergency OMB approval for this information collection was granted by OMB through June 30, 1996 (OMB Approval Number 3060-0705). The Commission is seeking comments to maintain the collection and on proposed changes. This information collection permits persons to petition the Commission to declare nonfederal, governmental zoning regulations to be preempted pursuant to Section 25.104 of the Commission's rules, 47 CFR 25.104. It further allows nonfederal, governmental entities to petition for a waiver of any or all of Section 25.104 in order to permit them to enforce noncompliant zoning regulations. See Report and Order in Preemption of Local Zoning Regulation of Satellite Earth Stations, 61 FR 10896 (March 17, 1996). In addition, the Commission has proposed to extend the preemption rule to non-governmental restrictions, such as, covenants and home owner association rules, satellite earth stations less than one meter in diameter. See Further Notice of Proposed Rulemaking in Preemption of Local Zoning Regulation of Satellite Earth Stations, 61 FR 10710 (March 15, 1996). The Commission is requesting OMB approval of this voluntary collection to allow enforcement of Section 25.104 of the rules.

The information collected will be used by the Commission to determine, in the cases of Petitions for Declaratory Ruling, whether a nonfederal, governmental and zoning regulation is preempted under Section 25.104 of the Commission's rules, 47 CFR 25.104; or, in cases of Petitions for Waiver, whether preemption under Section 25.104 may be waived for a given regulation. The collection is being revised to include collections that may be submitted to the Commission for a determination of whether a nongovernmental regulation, *i.e.*, a deed covenant, is preempted under Section 25.104. The information will be submitted voluntarily by all respondents.
