Title: Amendment to the Education Department General Administrative Regulations (EDGAR), 34 CFR 75.200–75.211.

Frequency: Annually.

Affected Public: Business or other for-profit; Not for Profit institutions; State, Local or Tribal Government, SEAs or LEAs.

Annual Reporting and Recordkeeping Hour Burden:

Burden Hours: 1.

Abstract: The proposed rulemaking would amend EDGAR to establish a menu of selection criteria. For each competition, the Secretary would select one or more criteria that best enable the Department to identify the highest quality applications consistent with the program purpose, statutory requirements, and any priorities established. The amendments would also allow the Secretary the flexibility to weight the criteria according to the needs of each individual program. This menu of selection criteria will provide the Department the flexibility to choose a set of criteria tailored to a given competition and obviate the need to create specific selection criteria through individual program regulations.
