SUPPLEMENTARY INFORMATION:**Background**

On April 30, 1996, and May 22, 1996, the Department received requests in accordance with 19 CFR 353.22 (h) (1995), for new shipper reviews of the antidumping duty order on certain welded carbon steel standard pipes and tubes from India, which has a May anniversary date, with respect to two producers/exporters.

The Department has also received a timely request on May 24, 1996, in accordance with 19 CFR 353.22(a), for an administrative review of this antidumping duty order with respect to the same two producers/exporters.

Initiation of Review

In accordance with section 19 CFR 353.22(c), and 353.22(h), we are initiating an administrative review of the following antidumping duty order and producers/exporters:

We also will instruct the U.S. Customs Service to allow, at the option of the importer, the posting, until the completion of these reviews, of a bond or security in lieu of a cash deposit for each entry of the merchandise exported by the above-listed companies, in accordance with 19 CFR 353.22 (h)(4) (1995).

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 353.34 (b).
