BILLING CODE 6210-01-F

Notice of Proposal to Engage in Permissible Nonbanking Activities.

Norwest Corporation, Minneapolis, Minnesota, has given notice pursuant to section 4(c)(8) of the Bank Holding Company Act (12 USC 1843(c)(8)) (BHC Act) and section 225.23 of the Board's Regulation Y (12 CFR 225.23), to engage *de novo* through its subsidiary, Information Services, Inc., Des Moines, Iowa, in a joint venture with the Boulder Area Board of Realtors, Inc., Boulder, Colorado, and the Longmont Association of Realtors, Inc., Longmont, Colorado, in providing data processing services for a real estate database (Company). The real estate information services database would include real estate/property records, which identify each parcel of real property for all counties within Colorado, and contain information on the improvements made on the parcel, its current ownership, legal description, tax assessment, and other information. Company also would provide related services by owning and operating an on-line computer system capable of storing data necessary for a public and private real estate/property records database and by retrieving information from the database in an electrical impulse form or hard copy form. Company proposes to conduct these activities throughout Colorado.

Section 4(c)(8) of the BHC Act provides that a bank holding company may, with Board approval, engage in any activity "which the Board after due notice and opportunity for hearing has determined (by order or regulation) to be so closely related to banking or managing or controlling banks as to be a proper incident thereto . . ." 12 USC 1843(c)(8). In publishing the proposal for comment, the Board does not take a position on issues raised by the proposal. Notice of the proposal is published solely in order to seek the views of interested persons on the issues presented by the notice, and does not represent a determination by the Board that the proposal meets or is likely to meet the standards of the BHC Act.

Any comments or requests for hearing should be submitted in writing and received by William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, Washington, D.C. 20551, no later than July 17, 1996.

Any request for a hearing on this proposal must, as required by section 262.3(e) of the Boards Rules of Procedure (12 CFR 262.3 (e)), be accompanied by a statement of the reasons why a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal. The notice may be inspected at the offices of the Board of Governors or the Federal Reserve Bank of Minneapolis.

Board of Governors of the Federal Reserve System, June 24, 1996.
