incidents of family violence, and the provision of immediate shelter and related assistance for victims of family violence and their dependents; the projected service population of the program; the projected service area of the program; and the projected number of cases per month.

Funds will be distributed, subject to the availability of appropriations. In any fiscal year that the appropriation exceeds 50 percent of the level of funding authorized by the Act, 49 percent must be distributed equally to all tribes and tribal organizations and 49 percent must be distributed on a per capita basis according to the population of children residing in the service area. Two percent of the annual appropriation will be set aside for distribution to tribes demonstrating special circumstances. Special circumstances include but are not limited to a high incidence of child sexual abuse, a high incidence of violent crimes, a high incidence of violent crimes against women, or the existence of a significant victim population within the community.

Any tribe not wishing to receive Indian child protection and family violence prevention funds must inform its respective area office in writing within 90 days after receiving notice of the allocation from the area office. Each area office may reallocate unused Indian child protection and family violence prevention program funds as provided in this section.

Burden Statement: Section 63.15 Background Investigations, as mandated by statute, require an average 40 hours per employee, with an estimated employee base of 10,000, a total burden of 400,000 hours. Funding information is to be collected annually from each applicant. It is anticipated that the number of third party collection (background investigations) will be less in subsequent years.

Sections 63.33 and 63.34 Funding Applications require an annual reporting and record keeping burden of 30 hours for each response for 554 respondents, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing collection of information. Thus, the total annual reporting and recordkeeping burden for this collection is estimated to be 16,620 hours, which is in addition to the background investigation burden.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–378]

Certain Asian-Style Kamaboko Fish Cakes; Notice of Commission Determinations Not To Review Two Initial Determinations Finding a Violation of Section 337 and Two Respondents in Default, and of the Schedule for Filing Written Submissions on Remedy, the Public Interest, and Bonding

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review two initial determinations (IDs) issued in Order No. 15 on May 21, 1996, by the presiding administrative law judge (ALJ) in the above-captioned investigation. The first found a violation of section 337 of the Tariff Act of 1930 in the importation and sale of certain Asian-style kamaboko fish cakes and the second found two respondents in default.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 12, 1995, based on a complaint filed by Yamasa Enterprises of Los Angeles, California. 60 Fed Reg. 48722. The following six firms were named as respondents: Yamasa Kamaboko Co., Ltd. (YKCL); Alpha Oriental Foods, Inc. (Alpha); N.A. Sales, Inc.; New Japan Food Corp.; Rhee Brothers, Inc.; and Rokko Trading Co., Inc. Respondents N.A. Sales and Rokko Trading Co. were subsequently terminated from the investigation on the basis of a settlement agreement. Respondent Alpha is believed to have gone out of business.

On May 21, 1996, the presiding ALJ issued Order No. 15 which included two IDs. In one ID the ALJ granted complainant’s motion for summary determination on each substantive issue in the investigation. In the other ID the ALJ granted complainant’s motion that respondents New Japan Food Corp. and Rhee Brothers be found in default. Respondent YKCL filed a petition for review of the IDs, and complainant and the Commission investigative attorney filed oppositions to YKCL’s petition. On June 6, 1996, the ALJ also issued a recommended determination on the issues of remedy and bonding.

In connection with final disposition of this investigation, the Commission may issue (1) an order that could result in the exclusion of the subject articles from entry into the United States, and/or (2) cease and desist orders that could result in respondents New Japan Food Corp. and Rhee Brothers being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or are likely to do so. For background, see the Commission Opinion, In the Matter of Certain Devices for Connecting Computers via Telephone Lines, Inv. No. 337–TA–360.

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist orders would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the President has 60 days to approve or disapprove the Commission’s action. During this period, the subject articles would be entitled to enter the United States under a bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed, if remedial orders are issued.

WRITTEN SUBMISSIONS: The parties to the investigation, interested government agencies, and any other interested persons are encouraged to file written submissions on the issues of remedy, the public interest, and bonding. Such submissions should address the June 6, 1996, recommended determination by the ALJ. Complainant and the Commission investigative attorney are also requested to submit proposed remedial orders for the Commission’s consideration. The written submissions and proposed remedial orders must be filed no later than the close of business on July 15, 1996. Reply submissions must be filed no later than the close of business on July 22, 1996.
