

June 4, 1993, had been requested by the above-named organization. The requested modification has been granted under the authority of the Marine Mammal Protection Act of 1972, as amended (16 U.S.C. 1361 *et seq.*), the provisions of paragraphs (d) and (e) of § 216.33 of the Regulations Governing the Taking and Importing of Marine Mammals (50 CFR part 216).

The modification adds St. Paul and St. George as locations where roundups are authorized; increases the numbers that may be incidentally harassed, captured, weighed and measured on Bogoslof Island; adds harnesses or epoxy glue as means to attach time wet recorders; increases numbers to be fitted with time wet recorders on St. Paul and St. George Islands; and authorizes the use of enemas St. Paul Island and St. George Island.

Dated: June 18, 1996.

Ann D. Terbush,

Chief, Permits and Documentation Division,
Office of Protected Resources, National
Marine Fisheries Service.

BILLING CODE 3510-22-F

DEPARTMENT OF DEFENSE

Office of the Secretary

Public Information Collection Requirement Submitted to the Office of Management and Budget (OMB) for Review

ACTION: Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title and OMB Control Number: Youth Attitude Tracking Study (YATS); OMB Number 0704-0069.

Type of Request: Revision.

Number of Respondents: 13,050.

Responses per Respondent: 1.

Annual Responses: 13,050.

Average Burden per Response: 26 minutes.

Annual Burden Hours: 5,618 hours.

Needs and Uses: The information collected by YATS is utilized by the Department of Defense to ascertain changes in youth attitudes that affect recruiting budgets, and to support analyses of recruiting incentives and diagnoses of recruiting difficulties.

Approximately 10,000 young men and women between the ages of 16 and 24 are interviewed by telephone each Fall to determine attitudes and opinions

affecting military recruiting. On occasion, additional interviews of approximately 3,000 youth are conducted in the Spring or Summer, but not in the same year, when an information requirement precludes waiting for the normally scheduled Fall interviews. YATS provides an independent measure of youth awareness of military service recruitment advertising, and an efficient measure of potential incentives such as increased educational benefits. The collected information is also used to optimize the allocation of resources and to evaluate the effect of policy changes, as well as in the preparation of Congressional testimony regarding the state of recruiting.

Affected Public: Individuals and households.

Frequency: Annually and on occasion.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Mr. Edward C.

Springer.

Written comments and recommendations on the proposed information collection should be sent to Mr. Springer at the Office of Management and Budget, Desk Officer for DoD, Room 10236, New Executive Office Building, Washington, DC 20503.

DOD Clearance Officer: Mr. William Pearce.

Written requests for copies of the information collection proposal should be sent to Mr. Pearce, WHS/DIOR, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302.

Dated: June 26, 1996.

Patricia L. Toppings,

Alternate OSD Federal Register Liaison
Officer, Department of Defense.
