

Executive Director is Mr. Paul Roberson in San Antonio, TX, telephone (210) 207-2124.

Surplus Property Descriptions

The following is a listing of the land and facilities at Kelly Air Force Base, San Antonio, TX that are surplus to the federal government.

Land

Approximately 968 acres of land at Kelly Air Force Base and a non-contiguous parcel known as East Kelly containing approximately 323 additional acres of land. These areas will be available between April 1998 and July 13, 2001.

Buildings

Improvements include single and multi family housing, office, industrial and commercial buildings, community support facilities including gas station and recreational facilities, and hangars and support buildings adjacent to the airfield.

Expressions of Interest

Pursuant to paragraph 7(C) of Section 2905(b) of the Defense Base Closure and Realignment Act of 1990, as amended by the Base Closure Community Redevelopment and Homeless Assistance Act of 1994. State and local governments, representatives of the homeless, and other interested parties located in the vicinity of Kelly Air Force Base, San Antonio, TX shall submit to the Greater Kelly Development Authority a notice of interest, of such governments, representatives, and parties in the above described surplus property, or any portion thereof. A notice of interest shall describe the need of the government, representative, or party concerned for the desired surplus property. Pursuant to paragraph 7(C) of said section 2905(b), the Greater Kelly Development Corporation shall assist interested parties in evaluating the surplus property for the intended use and publish in a newspaper of general circulation in Texas the date by which expressions of interest must be submitted.

Department of the Army

Notice of Intent To Prepare an Environmental Assessment (EA) for Disposal of Property at the Defense Personnel Support Center (DPSC), Philadelphia, PA

AGENCY: Department of the Army, DoD.

ACTION: Correction notice.

SUMMARY: This document contains a correction to a previous notice published in the October 13, 1995, edition of the Federal Register (60 FR 53344-53345) and in subsequent advertisements published on November 9, 1995, in local media; i.e., *Philadelphia Inquirer*, *Philadelphia Daily News*, *South Philadelphia Review*, *Defense Personnel Support Center News*. In this previous notice, the Army indicated that it would, in accordance with the provisions and requirements of the National Environmental Policy Act (NEPA) of 1969, prepare an Environmental Impact Statement (EIS) whereby it would assess the potential direct, indirect and cumulative impacts resulting from its disposal (and, secondarily, the subsequent reuse by others) of the Defense Personnel Support Center (DPSC)—and Army-owned installation located in Philadelphia, Pennsylvania.

Nonetheless, after carefully considering the information gathered and analysis performed during the past eight months, the Army has not determined that it would be more appropriate to prepare an Environmental Assessment (EA) for the disposal and reuse of DPSC.

Accordingly, to afford the public the greatest opportunity practicable to participate in the assessment of impacts and alternatives associated with the preparation of an EA for the disposal and reuse of DPSC, the Army will (although not legally required to do so) proceed as follows:

(1) A draft copy of the DPSC EA will be made available to the public on Monday, July 15, 1996, at the Free Library of Philadelphia, the Passyunk Branch at 20th and Shunk Streets.

(2) Comments regarding this draft EA will be accepted by Mr. John Bravo, the Base Environmental Coordinator at DPSC, DPSC-DXE, 2800 South 20th Street, Philadelphia, PA, 19145 until 5 PM daylight savings time on Monday, July 29, 1996.

(3) Army representatives will host a public meeting at the Defense Personnel Support Center Auditorium on July 30, 1996, at 7 PM daylight savings time, at which meeting they will respond to comments the Army has received

respecting the draft EA, and they will also solicit and respond to any other questions and comments concerning the Army's NEPA process at DPSC that members of the audience may raise at that time.

Following the conclusion of the July 30, 1996, meeting, the Army will proceed with its DPSC NEPA analysis in accordance with applicable legal and regulatory requirements.

FOR FURTHER INFORMATION CONTACT: For further information regarding this environmental assessment, please contact the DPSC Project Manager, Army Corps of Engineers, Mobile District, at 334-690-2725.

Raymond J. Fatz,

Acting Deputy Assistant Secretary of the Army (Environment, Safety and Occupational Health) OASA (I,L&E).

Corps of Engineers

Proposal To Issue, Reissue, and Modify Nationwide Permits; Public Hearing

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Correction to notice of public hearing.

SUMMARY: This document contains a correction to the Corps notice of public

hearing published Monday, 17 June 1996 (61 FR 30778). The notice of public hearing contained the purpose, time, place, and date of the public hearing. The purpose of the public hearing is to allow the public to submit written and/or oral comment on the Corps proposal to reissue the existing nationwide permits (NWP) and conditions, with some modifications, and issue four new NWPs published Monday, 17 June 1996 (61 FR 30780). The time and place of the public hearing will remain the same. The dates and the speaker time limit stated are corrected.

DATES: The hearing will commence at 10:00 AM on 5 August 1996, and end at 4:00 PM or before, if all speakers present have had an opportunity to speak.

ADDRESS: The hearing will be held at the National Guard Association Building, One Massachusetts Avenue, N.W., Washington, D.C. Written comments may be submitted to HQUSACE, ATTN: CECW-OR, Washington, D.C., 20314-1000.

FOR FURTHER INFORMATION CONTACT: Mr. Tim Zimmerman or Mr. Sam Collinson, Regulatory Branch, Office of the Chief of Engineers at (202) 761-0199.

SUPPLEMENTARY INFORMATION: As was stated in the original Notice, the hearing is open to the public. Comments may be submitted in person at the hearing or in writing to the Office of the Chief of Engineers at the address given in **ADDRESS**. Filing of a written statement at the time of giving an oral statement would be helpful and facilitate the job of the court reporter. The hearing will be transcribed. The hearing will be held in accordance with the Corps public hearing regulations in 33 CFR Part 327. The legal authority for this hearing is Section 404 of the Clean Water Act (33 U.S.C. 1344) and Section 10 of the Rivers and Harbors Act of 1899 (33 U.S.C. 403).

Need for Correction

As published, the Notice contains two incorrect dates. The date for the public hearing found in the second column, twenty-first line, was stated as "17 July 1996", and should read "5 August 1996". The date for the hearing record found in the second column, nineteenth line, was stated as "1 August 1996" and should read "16 August 1996". Due to an anticipated higher volume of speakers than originally projected, the time limit is to be reduced from that stated in the second column, eleventh line, as "15 minutes" to "10 minutes".

Dated: June 27, 1996.

Approved:
Stanley G. Genega,
Major General, USA, Director of Civil Works.

Department of the Navy

Community Redevelopment Authority and Available Surplus Buildings and Land at Military Installations Designated for Closure: Naval Shipyard, Philadelphia, PA

SUMMARY: This Notice provides information regarding the redevelopment authority that has been established to plan the reuse of the Naval Shipyard, Philadelphia, Pennsylvania, and the surplus property that is located at that base closure site.

FOR FURTHER INFORMATION CONTACT: For further general information, contact John J. Kane, Director, Department of the Navy, Real Estate Operations, Naval Facilities Engineering Command, 200 Stovall Street, Alexandria, VA 22332-2300, telephone (703) 325-0474, or Marian E. DiGiamarino, Special Assistant for Real Estate, Base Closure Team, Northern Division, Naval Facilities Engineering Command, Lester, PA 19113-2090, telephone (610) 595-0762. For more detailed information regarding particular properties identified in this Notice (i.e. acreage, floorplan, sanitary facilities, exact street address, etc.), contact Helen McCabe, Realty Specialist, Base Closure Team, Northern Division, Naval Facilities Engineering Command, Lester, PA 19113-2090, telephone (610) 595-0549.

SUPPLEMENTARY INFORMATION: In 1991, the Naval Shipyard, Philadelphia, Pennsylvania, was designated to close and the property be preserved pursuant to the Defense Base Closure and Realignment Act of 1990, Public Law 101-510, as amended. In 1995 this designation was revised to reflect closure and disposal of the property. Pursuant to this revised designation, on 28 September 1995 the land and facilities at this installation were declared excess to the Department of Navy and made available for use by other federal public agencies. No interest has been expressed.
