SUPPLEMENTARY INFORMATION: EPA is soliciting comments on a proposed guidance document entitled "Conduct of Acute Toxicity Studies." It is the goal of this document to compile additional guidance for the conduct of acute toxicity studies into a supplement to the Subdivision F Guidelines. It is expected that such guidance, which currently often must be pieced together from several different sources, will reduce the number of studies that are rejected or flawed due to incorrect procedures or insufficient reporting. While this should

help all registrants, it is being finalized at this time because of the importance of clear guidance for the success of the self-certification program undergoing comment at this time. This Federal Register notice announces the availability of the draft document and solicits comment on it. In particular, EPA is interested in comments on those sections of the document where there has been some disagreement or uncertainty between the various contributors to the document. These areas are highlighted in bold in the document. After reviewing the public comments received, EPA may make changes to the guidance document.

A record has been established for this action under docket number "OPP-00440" (including comments and data submitted electronically as described below). A public version of this record, including printed, paper versions of electronic comments, which does not include any information claimed as CBI, is available for inspection from 8 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The public

record is located in Rm. 1132 of the Public Response and Program Resources Branch, Field Operations Division (7506C), Office of Pesticide Programs, Environmental Protection Agency, Crystal Mall #2, 1921 Jefferson Davis Highway, Arlington, VA.

Electronic comments can be sent directly to EPA at:

opp-docket@epamail.epa.gov

Electronic comments must be submitted as an ASCII file avoiding the use of special characters and any form of encryption.

The official record for this action, as well as the public version, as described above will be kept in paper form. Accordingly, EPA will transfer all comments received electronically into printed, paper form as they are received and will place the paper copies in the official record which will also include all comments submitted directly in writing. The official record is the paper record maintained at the address in "ADDRESSES" at the beginning of this document.

**FEDERAL DEPOSIT INSURANCE
CORPORATION****Statement of Policy on Assistance to
Operating Insured Depository
Institutions**

AGENCY: Federal Deposit Insurance
Corporation (FDIC).

ACTION: Policy statement; Notice of
opportunity for comment.

SUMMARY: The statement of policy
would revise the FDIC's Statement of
Policy on Assistance to Operating
Insured Depository Institutions, which
was published in the Federal Register
on December 18, 1992 (the 1992 Policy
Statement) (see, 57 FR 60203 (December
18, 1992)). As required by section 303(a)
of the Riegle Community Development
and Regulatory Improvement Act of
1994 (the RCDRIA), the FDIC is
conducting a systematic review of its
regulations and statements of policy to
identify and revise regulations and
statements of policy that might be
inefficient, cause unnecessary burden,
or contain outmoded, duplicative, or
inconsistent provisions (see, 60 FR
62345 (December 6, 1995)). The FDIC
has reviewed the 1992 Policy Statement
and has concluded that it should be
revised. This revised statement of policy
would replace the 1992 Policy
Statement.

The statement of policy would (i)
reflect the statutory "sunset" of the
Resolution Trust Corporation on
December 31, 1995, by deleting
references to the Resolution Trust
Corporation's statutory authority; (ii)
incorporate the requirements of section
11 of the Resolution Trust Corporation
Completion Act, P.L. 103-204, section
11 (1993), which revised section 11(a)(4)
of the Federal Deposit Insurance Act, as
amended (the FDI Act), 12 U.S.C.
1821(a)(4), to prohibit, with certain
exceptions, the use of funds from the
Bank Insurance Fund or the Savings
Association Insurance Fund to benefit
shareholders of a failed or failing
insured depository institution; thus, the
statement of policy would impact the
treatment of shareholders with regard to
FDIC assistance under section 13(c) of
the FDI Act to an operating insured
depository institution prior to the
appointment of a conservator or receiver
for that institution; (iii) provide that any
depository institution subsidiary of a
holding company may be included
when considering what entities may
contribute resources in connection with
a proposal for FDIC assistance; and (iv)
generally streamline the retained
provisions of the 1992 Policy Statement,
in pertinent part by removing certain
detailed discussions of section 13(k)(5)
of the FDI Act and various provisions
added to the FDI Act by the Federal
Deposit Insurance Corporation
Improvement Act of 1991.

DATES: Written comments must be
received on or before August 2, 1996.

ADDRESSES: Written comments should
be addressed to the Office of the
Executive Secretary, FDIC, 550 17th
Street, N.W., Washington, D.C. 20429.
