

Office of Management and Budget (OMB) approval is being sought for the information collection listed below. This proposed information collection was previously published in the Federal Register on April 22, 1996, at 61 FR 17728-17729, allowing for a 60-day public comment period. No comments were received by the Immigration and Naturalization Service.

The purpose of this notice is to allow an additional 30 days for public comments from the date listed at the top of this page in the Federal Register. This process is conducted in accordance with 5 CFR Part 1320.10.

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Regulatory Affairs, Attention: Department of Justice Desk Officer, Washington, DC 20530. Additionally, comments may be submitted to OMB via facsimile to 202-395-7285. Comments may also be submitted to the Department of Justice (DOJ), Justice Management Division, Information Management and Security Staff, Attention: Department Clearance Officer, Suite 850, 1001 G Street, NW., Washington, DC 20530. Additionally, comments may be submitted to DOJ via facsimile to 202-514-1534.

Written comments and suggestions from the public and affected agencies should address one or more of the following points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency/component, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies/components estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. The proposed collection is listed below:

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* Application to Replace Alien Registration Card.

(3) *Agency for number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form I-90. Office of Examinations, Adjudications, Immigration and Naturalization Service.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or Households. The information collected will be used by the INS to determine eligibility for an initial Alien Registration Card, or to Replace a previously issued card.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 1,300,000 responses at 55 minutes (.90) per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 1,170,000 annual burden hours..

Public comment on this proposed information collection is strongly encouraged.

Dated: June 26, 1996.

Description: The Department of Labor, through the Bureau of Labor Statistics, is responsible for the development and publication of local area labor force statistics. Data are gathered by State Employment Security Agencies and transmitted to the Bureau of Labor Statistics. This program includes the issuance of monthly estimates of the labor force, employment, unemployment, and the unemployment rate for each State and labor market area in the Nation.

The labor force estimates developed and issued in this program are used for economic analysis and as a tool in the implementation of Federal economic policy in such areas as employment and economic development under the Job Training and Partnership Act, the Public Works and Economic Development Act, among other.

The estimates are also used in economic analysis by public agencies and private industry, and for State and area allocations and eligibility determinations according to legal and administrative requirements. Implementation of policy and legislative prerogatives could not be accomplished as now written without collection of these data.

Employment and Training Administration

Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of June, 1996.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met.

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, have become totally or partially separated,

(2) That sales or production, or both, of the firm or subdivision have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.

Negative Determinations for Worker Adjustment Assistance

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

TA-W-32,350; Clear Pine Moulding, Prineville, OR

TA-W-32,205; Progressive Knitting Mills of Pennsylvania, Philadelphia, PA

TA-W-32,157; Fasco Industries, Inc., Motors Div., Tipton, MO

In the following cases, the investigation revealed that the criteria for eligibility have not been met for the reasons specified:

TA-W-32,193; GPM—Phillips Petroleum Co., Houston, TX

TA-W-32,206; General Cable Corp., Newport, AR

TA-W-32,306; Braun Medical, Inc., Cardiovascular Div., Plymouth, MN

TA-W-32,216; Barrett Refining Corp., Thomas, OK

Increased imports did not contribute importantly to worker separations at the firm.

TA-W-32,208; El Paso Natural Gas Co., El Paso, TX
