**FEDERAL DEPOSIT INSURANCE
CORPORATION****Statement of Policy on Assistance to
Operating Insured Depository
Institutions**

AGENCY: Federal Deposit Insurance
Corporation (FDIC).

ACTION: Policy statement; Notice of
opportunity for comment.

SUMMARY: The statement of policy
would revise the FDIC's Statement of
Policy on Assistance to Operating
Insured Depository Institutions, which
was published in the Federal Register
on December 18, 1992 (the 1992 Policy
Statement) (see, 57 FR 60203 (December
18, 1992)). As required by section 303(a)
of the Riegle Community Development
and Regulatory Improvement Act of
1994 (the RCDRIA), the FDIC is
conducting a systematic review of its
regulations and statements of policy to
identify and revise regulations and
statements of policy that might be
inefficient, cause unnecessary burden,
or contain outmoded, duplicative, or
inconsistent provisions (see, 60 FR
62345 (December 6, 1995)). The FDIC
has reviewed the 1992 Policy Statement
and has concluded that it should be
revised. This revised statement of policy
would replace the 1992 Policy
Statement.

The statement of policy would (i)
reflect the statutory "sunset" of the
Resolution Trust Corporation on
December 31, 1995, by deleting
references to the Resolution Trust
Corporation's statutory authority; (ii)
incorporate the requirements of section
11 of the Resolution Trust Corporation
Completion Act, P.L. 103-204, section
11 (1993), which revised section 11(a)(4)
of the Federal Deposit Insurance Act, as
amended (the FDI Act), 12 U.S.C.
1821(a)(4), to prohibit, with certain
exceptions, the use of funds from the
Bank Insurance Fund or the Savings
Association Insurance Fund to benefit
shareholders of a failed or failing
insured depository institution; thus, the
statement of policy would impact the
treatment of shareholders with regard to
FDIC assistance under section 13(c) of
the FDI Act to an operating insured
depository institution prior to the
appointment of a conservator or receiver
for that institution; (iii) provide that any
depository institution subsidiary of a
holding company may be included
when considering what entities may
contribute resources in connection with
a proposal for FDIC assistance; and (iv)
generally streamline the retained
provisions of the 1992 Policy Statement,
in pertinent part by removing certain
detailed discussions of section 13(k)(5)
of the FDI Act and various provisions
added to the FDI Act by the Federal
Deposit Insurance Corporation
Improvement Act of 1991.
