Purpose of the Fellowship Program

In 1979, the National Sea Grant College Program Office (NSGCPO), in fulfilling its broad educational responsibilities, initiated a program to provide educational experience in the policies and processes of the Legislative and Executive Branches of the Federal Government to graduate students in marine related fields. The U.S. Congress recognized the value of this program and in 1987, P.L. 100-220 stipulated that the Sea Grant Federal Fellows Program was to be a formal part of the National Sea Grant College Program Act. The recipients are designated Dean John A. Knauss Marine Policy Fellows pursuant to 33 U.S.C. 1127(b).

Announcement

Fellows program announcements are sent annually to all participating Sea Grant institutions and campuses by the state Sea Grant Director upon receipt of notice from the National Sea Grant College Program Office (NSGCPO).
