In addition to your comments on the accuracy of the agency's burden estimate, we are soliciting comments on the need for the information; its practical utility; ways to enhance its quality, utility and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology.

The information collections listed below, which were published in the Federal Register on May 2 and May 8, 1996 have been submitted to OMB.

1. Survey of Employers Regarding A Pre-retirement Satellite Broadcast—0960-NEW. The Social Security Administration is attempting to establish satellite communications with private sector employers as an economical and efficient means of providing program information and training. SSA will broadcast a pre-retirement seminar via satellite and ask employers to provide information on the broadcast. The information collected by SSA will be used to determine employer interest in receiving information by satellite and to determine what issues should be covered; i.e., retirement, legislative updates, wage reporting training, etc. The respondents are employers who have received the satellite transmission.

AGENCY: Department of Transportation, Federal Aviation Administration. (FAA)
ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*) this notice announces that the information collection request described below has been forwarded to the Office of Management and Budget (OMB) for review. The FAA is requesting an emergency clearance by July 23, 1996, in accordance with 5 CFR 1320.13. The following information describes the nature of the information collection and its expected burden.

DATES: Submit any comments to OMB by July 22, 1996.

SUPPLEMENTARY INFORMATION: Each year the System Safety Office produces a videotape titled "VFR Arrival Procedures: Oshkosh '96" for the Oshkosh Fly-In in August. To better serve our customers needs for this information and our distribution procedures, we will be asking pilots who fly in to Oshkosh a few short

questions on the availability and usefulness of the videotape. This is a one day, one time survey.

Title: Oshkosh Video Survey.

Need: The System Safety Office will use this information to serve the needs of our customers better. Per their suggestions, we may be able to add information to the video or add distribution points.

Respondents: An estimated 100 pilots who fly into Oshkosh for the annual fly-in.

Frequency: One time oral survey.

Burden: One minute, 13 seconds per respondent for a total of 2 hours and 2 minutes.
