Parties to the proceeding may request disclosure within 5 days of the date of publication of this notice in accordance with 19 CFR 353.22(c)(6). Any interested party may request a hearing within 10 days of the date of publication (19 CFR 353.38(b)). Any hearing, if requested, will be held 44 days after publication of this notice, or the first workday thereafter. Interested parties may submit case briefs within 30 days after the date of publication of this notice (19 CFR 353.38(c)). Rebuttal briefs and rebuttal comments, which must be limited to issues raised in the case briefs, may be filed not later than 37 days after the date of publication. The Department will publish the final results of review, including the results of its analysis of issues raised in any such written comments.

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between export price and NV may vary from the percentage stated above. Upon completion of this review, the Department will issue appraisal instructions on each manufacturer/exporter directly to the U.S. Customs Service.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise, entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided for by section 751(a)(2)(c) of the Act: (1) The cash deposit rate for the reviewed firms will be those firms' rates established in the final results of this administrative review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a previous review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the

exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rate will be 6.93 percent, the "all others" rate established in the LTFV investigation.

These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: July 1, 1996.

Robert S. LaRussa,

Acting Assistant Secretary for Import Administration.
