Drug Enforcement Administration

Jeffrey Rutgard, M.D., Revocation of Registration

On November 21, 1995, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Jeffrey Rutgard, M.D., (Respondent), of La Jolla, California, notifying him of an opportunity to show cause as to why DEA should not revoke his DEA Certificate of Registration, AR9688194, under 21 U.S.C. 824(a)(3), and deny any pending applications for renewal of his registration as a practitioner under 21 U.S.C. 823(f), for the reason that, effective June 24, 1994, the California Medical Board (Medical Board) ordered the revocation of his state license to practice medicine. Further, the Show Cause Order noted that, lacking a medical license, the Respondent was no longer authorized to handle controlled substances in the State of California. The order also notified the Respondent that, should no request for a hearing be filed within 30 days, the hearing right would be deemed waived.

The DEA mailed the show cause order to the Respondent at two locations of record with the DEA in La Jolla, California, and also mailed a copy to an attorney known by DEA to have represented the Respondent in a criminal matter. Subsequently, the DEA received three signed receipts from the United States Postal Service, showing that the orders had been delivered. The attorney also wrote a letter, stating that she did not represent the Respondent in this matter, but that she would forward the show cause order to the Respondent at the Federal Correctional Institution at Fort Dix, New Jersey. However, no request for a hearing or any other substantive reply was received by the DEA from the Respondent or anyone purporting to represent him in this matter.

Therefore, the Deputy Administrator, finding that (1) thirty days have passed since the issuance of the Order to Show Cause, and (2) no request for a hearing was received, concludes that the Respondent is deemed to have waived his hearing right. After considering relevant material from the investigative file in this matter, the Deputy Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.54(e) and 1301.57.

The Deputy Administrator finds that, on May 18, 1994, the Medical Board revoked the Respondent's license to practice medicine in the State of California, effective June 24, 1994. From
