

I. A description of the State's plan for conducting fiscal and programmatic monitoring and evaluations of the targeted assistance program, including frequency of on-site monitoring.

J. Assurance that the State will make available to the county or designated local entity not less than 95% of the amount of its formula allocation for purposes of implementing the activities proposed in its plan, except in the case of a State that administers the program locally as described in item F9 above.

K. A line item budget and justification for State administrative costs limited to a maximum of 5% of the total award to the State. Each total budget period funding amount requested must be necessary, reasonable, and allocable to the project. States that administer the program locally in lieu of the county, through a mutual agreement with the qualifying county, may add up to, but not exceed, 10% of the county's TAP allocation to the State's administrative budget.

L. Assurance that the State will follow or mandate that its sub-recipients will follow appropriate State procurement and contract requirements in the acquisition, administration, and management of targeted assistance service contracts.

X. Reporting Requirements

States are required to submit quarterly reports on the outcomes of the targeted assistance program, using Schedule A and Schedule C of the new ORR-6 Quarterly Performance Report form which was sent to States in ORR State Letter 95-35 on November 6, 1995.
