Proposed Information Collection Activity; Comment Request

Title: ACF Uniform Discretionary Grant Application Form.
OMB No.: 0970-0139.
Description: ACF has more than forty discretionary grant programs. The proposed information collection form would be a uniform discretionary application form usable for all of these grant programs to collect the information from grant applicants needed to evaluate and rank applicants and protect the integrity of the grantee selection process. All ACF discretionary grant programs would be eligible but not required to use this application form. The application consists of general information and instructions; the Standard Form 424 series that requests basic information, budget information and assurances; the Program Narrative requesting the applicant to describe how these objectives will be reached; and certifications. Guidance for the content of information requested in the Program Narrative is found in OMB Circulars A-102 and A-110.

Respondents: State governments.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) announces the renewal of the Transmissible Spongiform Encephalopathies Advisory Committee (formerly Ad Hoc Advisory Committee on Creutzfeldt-Jakob Disease) by the Commissioner of Food and Drugs.
