BILLING CODE 6717-01-M

[Docket No. TM96-6-70-000]

Columbia Gulf Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

July 9, 1996.

Take notice that on July 1, 1996, Columbia Gulf Transmission Company (Columbia Gulf) tendered for filing as

part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets to become effective August 1, 1996:

Thirteenth Revised Sheet No. 018
Fourteenth Revised Sheet No. 019

Columbia Gulf states that by the instant filing, Columbia Gulf is submitting a Periodic TRA filing pursuant to Section 33 of the General Terms and Conditions of its FERC Gas Tariff, to effectuate an increase in the company-use component of the retainage percentage applicable to the Mainline Zone (Rayne, LA to Points North). The increase in the retainage percentage is caused by an unanticipated increase in the throughput in the Mainline Zone during the first five months of 1996. The higher utilization has been necessary to meet market needs and to refill a higher than projected level of Columbia Gas Transmission Corporation's storage following the extremely cold weather during this period. The increased use of Columbia Gulf's mainline system during the summer months is projected to continue through the end of the summer, given the remaining level of storage injections which are anticipated. The instant filing is necessary to prevent further underrecoveries, which would generate a significant deferral to be collected through the 1997 surcharge.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules of Practice and Procedure. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Secretary.
