

public hearings in Texas on the Texas Coastal Management Program/Draft Environmental Impact Statement (P/DEIS). The P/DEIS has been prepared in conjunction with NOAA's proposed approval of the Texas Coastal Management Program (TCMP, or program) under the provisions of Section 306 of the Coastal Zone Management Act of 1972, as amended, 16 U.S.C. 1455. The P/DEIS was filed with EPA on June 13, 1996 and the notice of availability for the DEIS was published in the Federal Register on June 21, 1996. The public comment period on the P/DEIS ends August 5, 1996. Notice of these hearings was provided to all agencies, organizations and individuals receiving copies of the P/DEIS.

Pursuant to the Coastal Zone Management Act of 1972, as amended, NOAA's Office of Ocean and Coastal Resource Management (NOAA/OCRM), in coordination with the Texas Coastal Coordination Council will hold the two public hearings at the following locations in Texas:

Wednesday, July 31, 1996—7:00 p.m.
Corpus Christi City Hall, Council Chambers, 1201 Leopard, Corpus Christi, Texas

Thursday, August 1, 1996—7:00 p.m.
Texas A&M University at Galveston, University Auditorium, Room CLB-100, 200 Seawolf Parkway, Galveston, Texas.

The purpose of the hearings is to receive comments on NOAA's preliminary determination to approve the Texas Coastal Management Program pursuant to the Coastal Zone Management Act as reflected in the P/DEIS.

The proposed Federal approval of the program would make Texas eligible for program administration and enhancement awards and require Federal actions to be consistent with the enforceable policies of the State's management program (16 U.S.C. 1455, 1456). The alternatives to approval include delaying approval of the program, or denying approval which, in this case, is the no-action alternative.

Individuals or organizations wishing to submit written comments on the range of alternatives, the underlying issues for decision, or other issues should do so by August 5, 1996. Requests for the above described documents and all comments should be made to:

National Oceanic and Atmospheric Administration, National Ocean Service, Office of Ocean and Coastal Resource Management, Coastal Programs Division, Gulf/Caribbean

Region, 1305 East-West Highway (N/ORM3), Silver Spring, Maryland 20910, Attention: Joe Uravitch.
