

Sections 205 and 206 of the Federal Power Act, 16 U.S.C. §§ 824d and 824e against Entergy Services, Inc. as the representative of Entergy Corporation and its operating companies, Louisiana Power & Light Co. (LP&L), Arkansas Power & Light Co. (AP&L), Mississippi Power & Light Co. (MP&L), and New Orleans Public Service, Inc. (NOPSI). The complaint seeks a revision of the Entergy System Agreement based upon allegations that the terms of that agreement, under current circumstances, are unjust and unreasonable. Specifically, the complaint alleges that the absence of any provisions in the System Agreement excluding curtailable load from the determination of a company's load responsibility under the System Agreement results in an unjust and unreasonable cost allocation to companies that do not cause these costs to be incurred, and results in cross-subsidization among the companies. Additionally, it is alleged that the absence of any provision in MSS-3 for allocating marginal energy costs to customers that purchase energy under Entergy's "real time pricing" rate schedules at the retail level discriminates against a company that offers real time pricing. It further alleges that the System Agreement should be amended to require use of the 4CP method to determine load.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before July 16, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding.

Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. Answers to the amended complaint shall also be due on or before July 16, 1996.

Lois D. Cashell,  
Secretary.
