Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change and Amendment No. 1 Thereto by the Pacific Stock Exchange, Inc. Relating to Firm Quotes, Automatic Executions and Orders That May Be Placed in the Options Public Limit Order Book

July 12, 1996.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 15 U.S.C. 78s(b)(1), notice is hereby given that on June 14, 1996, the Pacific Stock Exchange, Inc. ("PSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the PSE. On June 27, 1996, the PSE filed Amendment No. 1 to the

proposals. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to modify its rules on firm quotes, automatic executions and orders that may be placed in the Options Public Limit Order Book (“Book”) in order to clarify the scope of these rules. The Exchange is also proposing to modify its Minor Rule Plan and Recommended Fine Schedule in connection with violations of those rules.

The text of the proposed rule change is available at the Office of the Secretary, the PSE, and to the Commission.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The PSE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

PSE Rule 6.86 currently provides that each trading crowd on the options floor is required to provide a depth of twenty (20) option contracts for all “non-broker/dealer customer” orders, at the bid or offer that is displayed as the disseminated market quote at the time such orders are announced or displayed at the trading post designated for trading the subject option class. The Exchange is proposing to amend Rule 6.86 to clarify that, for purposes of this rule, the term “broker/dealer” includes foreign broker/dealers.

The Exchange is also proposing to amend Rule 6.87 to provide that only non-broker/dealer customer orders are eligible for execution on the Exchange’s Automatic Execution System (“Auto-Ex”). This change codifies a long-standing policy of the Exchange to that effect. The rule change would also provide that, for purposes of Rule 6.87, the term “broker/dealer” includes foreign broker/dealers.

Rule 6.52(a) currently provides that no member shall place, or permit to be placed, an order with an Order Book Official for an account in which such member or his organization, any other member or member organization, or any non-member broker/dealer has an interest. The Exchange is proposing to replace that provision with one stating that only non-broker/dealer customer orders may be placed with an Order Book Official pursuant to Rule 6.52(a). The new text would also provide that, for purposes of this rule, the term “broker/dealer” includes foreign broker/dealers.

The Exchange is also proposing to amend its Minor Rule Plan so that it includes the following rule violation: “Entry of broker/dealer order for execution on Auto-Ex system. (Rule 6.87(a)).” The Exchange believes that violations of Rule 6.87(a) are easily verifiable and, therefore, are appropriate for inclusion in the Minor Rule Plan.

The Exchange is also proposing to modify its Recommended Fine Schedule under the Minor Rule Plan as follows: First, the current recommended fine for a member who fails to honor a guaranteed market is $250 for a first violation, $500 for a second violation and $750 for a third violation. The Exchange is proposing to increase these fines to $550, $1,500 and $3,000 for a first, second or third-time violation, respectively.2

Second, the recommended fine for a member who fails to identify an order as for a broker/dealer is currently $250 for a first violation, $500 for a second violation and $750 for a third violation. The Exchange is proposing to raise these fines to $500, $1,500 and $3,000 for a first, second and third-time violations, respectively.

Third, the exchange is proposing to establish fines of $500, $1,500 and $3,000 for first, second and third-time violations of the restriction against entering broker/dealer orders for execution on the Auto-Ex system.

2. Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act, in general, and further the objectives of Section 6(b)(5) in particular, in that it is designed to promote just and equitable principles of trade, to facilitate transactions in securities, and to protect investors and the public interest. The proposal is also consistent with Section 6(b)(6) in that it is designed to assure that members and persons associated with members are appropriately disciplined for violations of Exchange rules.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The PSE does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the Federal Register or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-Regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change, or
(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be
available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, N.W., Washington, D.C. Copies of such filing will also be available for inspection and copying at the principal office of the PSE. All submissions should refer to File No. SR-PSE-96-19 and should be submitted by August 9, 1996.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority. Margaret H. McFarland, Deputy Secretary.
