Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: Application Requirements for the Low Income Home Energy

Assistance Program (LIHEAP) and Detailed Model Plan (submitted every 3 years. Abbreviated applications to be submitted in intervening years.)

OMB No.: 0970-0075.

Description: This information requirement is an annual activity which is required by law for the receipt of federal block grant funds under the LIHEAP statute. By law, we must make this model plan available to grantees. It provides grantees an optional management tool that may alleviate the burden of preparing additional information to complete plans. The detailed mode plan is to be filed only once every three years or sooner if major changes are made to a grantee's program. We are also seeking approval for a streamlined application to be used in alternate years.

Respondents: State, Local or Tribal Govt.
