

necessary to obtain a balance of viewpoints and issues. The session may adjourn early if all interested persons complete their statements and have their questions answered in less time than is scheduled.

(2) Christopher A. Hart, FAA's Assistant Administrator for System Safety, will serve as the facilitator of the on-line session. A panel of FAA representatives involved in GAIN will be available to answer questions and clarify issues.

(3) A transcript of the on-line discussions will be prepared and placed in the public docket at FAA headquarters in Washington, DC, by August 12, 1996, for review by interested persons. A copy of the transcript will also be made available via CompuServe from the Aviation Week Group Information Center Forum library by August 12, 1996.

(4) Statements made by FAA representatives are intended to facilitate discussion of, and clarify, the issues and to answer questions. Any statements made during the on-line session by FAA representatives are the individual views of those representatives and do not necessarily represent the views of the FAA.

(5) The on-line session is designed to solicit views and clarify issues about the GAIN concept. Therefore, the session will be conducted in an informal and non-adversarial manner. No individual will be subject to cross-examination by any other participant; however, FAA representatives may ask clarifying questions to ensure a more complete and useful record.

Issued in Washington, DC, on July 18, 1996.

Christopher A. Hart,
Assistant Administrator for System Safety,
Federal Aviation Administration.
