Finally, the Board is required under the OCI Regulations to initiate measures which attempt to mitigate an OCI where reasonably possible. The efforts of MPR will be overseen by experienced technical staff members of the Board to ensure that all resultant work products are impartial and reflect full support for any findings and recommendations contained therein.

Accordingly, on the basis of the determination described above and pursuant to the applicable provisions of 10 CFR 1706, the Chairman of the Board granted a Waiver of any conflicts of interests (and the pertinent provisions of the OCI Regulations) with the effort to be performed by MPR under contract to the Board that might arise out of the contractual relationships with DOE.
