**ACTION:** Direct Sale of Public Lands in Eureka County, Nevada.

**SUMMARY:** The following described land in Eureka County, Nevada, patented to the Board of County Commissioners of Eureka County under provisions of the Recreation and Public Purposes Act, as amended, has been examined and found suitable for elimination of the reversionary clause in the patent and for conveyance of the available mineral estate, under provisions of Section 203 and Section 209 of the Federal Land Policy and Management Act (FLPMA) of October 21, 1976 (43 U.S.C. 1713 and 1719).

The above-described interests in the land would be conveyed directly to the present owner of record, the Eureka County Board of Commissioners. These interests will not be conveyed until at least 60 days after the date of publication of this notice in the Federal Register.

**FOR FURTHER INFORMATION CONTACT:** Mary Craggett, Realty Specialist, Bureau of Land Management, Battle Mountain District Office, 50 Bastian Road, P.O. Box 1420, Battle Mountain, Nevada, 89820.

**SUPPLEMENTARY INFORMATION:** The land was patented in 1965 for use as a sewage treatment plant site. The patent (number 27-65-0255) includes a clause providing for title to the land to revert to the United States if the approved plan of development is not followed.

The land is not needed for any resource program, is not suitable for management by the Bureau or another Federal department or agency, and would be difficult and uneconomic to manage, if title reverted to the United States.

The Eureka County Board of Commissioners has requested full title to the subject parcel. In addition, Eureka County has requested the sale of adjacent land to provide for community expansion resulting from increased mining activity in the area. These proposals are being processed concurrently.

The application to purchase the reversionary interest of the United States constitutes an application for conveyance of the available mineral interests. The applicant will be required to submit a \$50.00 nonrefundable filing fee for conveyance of the available mineral interests with the purchase price for the reversionary interest.

Upon publication of this Notice of Realty Action in the Federal Register, the lands will be segregated from all forms of appropriation under the public land laws, including the mining laws, but not the mineral leasing laws or disposals pursuant to Sections 203 and 209 of FLPMA. The segregation shall terminate upon issuance of a supplemental patent or other document of conveyance, upon publication in the Federal Register of a termination of segregation, or 270 days from date of this publication, whichever occurs first.

Patent, when issued, will contain the following reservations to the United States:

1. A right-of-way thereon for ditches and canals constructed by the authority

of the United States, Act of August 30, 1890, (43 U.S.C. 945);
